KENTUCKY LIBRARY NETWORK TASK FORCE

The Kentucky Library Network Task Force was formed as a result of a process that began in response to recommendations from the Kentucky Pre-White House Conference on Libraries and Information Services. A survey distributed by the Department of Libraries and Archives identified development of a cooperative network which produces access to information for all citizens of Kentucky as the top priority. This priority is the first goal of the Department's Management Plan.

The State Advisory Council on Libraries and the Kentucky Library Association co-sponsored a "Think Tank" on networking on September 25, 1981. A hearing on the "Think Tank" recommendations was held at the annual meeting of the Kentucky Library Association. The State Advisory Council on Libraries then passed a resolution that established the Task Force, charging the Department with appointing its members. The Task Force was to take into consideration the recommendations from the "Think Tank," the hearing and the Council discussion. It is to report to the Council by March 15, 1982.

The Task Force has established the following objectives by which to carry out its charge. They are to define objectives for a Kentucky Library network, identify the requirements for a Kentucky library network, describe alternative models for a Kentucky library network, and recommend further steps toward network development. Members of the Task Force are: Gail Kennedy, Chair; Holly Shipp Buchanan, Judith Burdine, Beverly Bury Schneider, Tom Kirk, Suzanne LeBarron, and Ruth Atwood as a special consultant to the Task Force. In addition there is a 33 member advisory board from all areas of Librarianship. The Task Force is publishing highlights of its meetings called NETWORK DEVELOPMENT NOTES and is available from Gail Kennedy, Acquisitions Department, Margaret I. King North, University of Kentucky, Lexington, Kentucky, 40506.

CSR JOURNAL PROBLEM

Recently we in CSR have been having problems with staff members borrowing popular titles from our shelves. We must ask that this not be done. If someone absolutely needs a particular issue please contact Joan Gatewood to make arrangements but otherwise we would prefer that staff wait until the issue is checked in and on the shelf. Thanks for your cooperation.
