Mr. David Bolotin  
Brown's Booterie  
Fourth Street  
Louisville, Kentucky

Dear Dave:

Enclosed herewith you will find the original and copy of the unexecuted agreement which you have asked me to draw up. You will notice that I have left a blank where Goldben's capacity in your employ is to be designated. I believe that this should be defined because in the event that Goldben's work should prove unsatisfactory it will facilitate the cancellation of this contract.

Farther down in the agreement I have left blank the date that the whole contract will end. This, according to your expressed wish, will be one year from the date that the herein contract is signed by both parties. You will fill in these blanks.

Let me know if for any reason this contract does not fulfill your exact needs.

Sincerely,

*David*
