

YOU CAN HELP WIN THE WAR!

WITH OUR COUNTRY CALLING FOR MATERIALS NEEDED FOR OUR WAR EFFORTS, IT IS BECOMING MORE DIFFICULT FOR US TO SECURE NEEDED REPAIR PARTS FOR OUR MACHINERY AND OTHER SUPPLY PARTS NECESSARY TO PRODUCE COAL FROM A MINE.

THE VERY THINGS THAT WE REQUIRE TO KEEP OUR MINE MACHINERY GOING, COPPER, STEEL, MICA AND THE RUBBER THAT GOES INTO TAPE AND OTHER INSULATING MATERIAL HAPPEN TO BE THE VERY MATERIALS THAT OUR COUNTRY NEEDS THE MOST.

THEREFORE, WE EXPECT EVERY MOTORMAN, MACHINE MAN AND ANY OTHER OPERATOR OF A PIECE OF MACHINERY TO PERFORM THEIR WORK IN SUCH A MANNER THAT THE SMALLEST AMOUNT OF SUPPLIES OR REPLACEMENTS WILL BE NEEDED FOR THE COAL TONNAGE PRODUCED.

WE EXPECT EVERY WORKMAN, MINER, TRACKMAN, PUMPER, TIPPLEMAN, CAR MAN, ELECTRICIAN, BLACKSMITH AND ALL OTHERS TO HELP US SAVE SPIKES, BOLTS, STEEL TIES, RAIL AND PIECES OF RAIL AND PIECES OF COPPER. A SAVING OF ALL MATERIAL THAT CAN BE REUSED BY US WILL KEEP US FROM ASKING FOR NEW MATERIAL THAT OUR GOVERNMENT NEEDS TO CONDUCT THE WAR. EVEN THE SCRAP MATERIALS THAT YOU SAVE, AND WHICH WE MAY NOT BE ABLE TO USE, WILL BE SHIPPED TO AGENCIES THAT WILL PUT THEM INTO OUR WAR EFFORTS.

REMEMBER PEARL HARBOR!

GIVE US COPPER, COAL, AND STEEL
TO HELP NIP NIPPON'S DIRTY DEAL --
MORE RUBBER FOR THOSE MEN OF OURS
AND A FEW MORE KILOWATT HOURS,
MORE ALUMINUM AND MORE LEAD --
LET'S PUT THE RISING SUN TO BED!!
