STATE LOSES THREE GAMES IN FALLS CITY

Varsity Meets With Two Defeats and Co-eds Lose One Game.

Both basket ball teams fared badly in their end of the season games at Louisville, last Friday and Saturday nights. The varsity team went to the Falls City for two games and lost both. The girls' team had a game with the Louisville University girls and lost also. The varsity played the strong St. Andrews team Friday night, losing in one of the best games seen in Louisville this year, by a score of 50 to 25. The Wildcats had won from this team earlier in the season and while the St. Andrews team was greatly strengthened yet there was hope of making it two straight. However, the Church boys were too strong and won by a good score.

In the game with the University of Louisville, the Varsity showed the form that is usually shown on the second consecutive game away from home. The boys were far from being in their true form and lost a very rough and poorly played game. The girls' team lost through hard luck and nothing else. The team work of the State girls was far better than that of the Fall City girls but close and rough guarding under the State goal kept the score down. These games end the season for the Wildcats, but the State girls play one game yet with the girls from Kentucky Wesleyan. This game played at the Auditorium, Saturday night will end the basket ball season for 1914-15.

The lineups and points scored were as follows:

- St. Andrews vs. State. Score 50 to 25.
- St. Andrews—Forwards, Mosher 6, Seelback 4; center, Jansen 20; guards, Duncan 8, and Moorman 4.
- Mosher, 8 free throws out of 11 trials.
- Kentucky State—Forwards, Morgan 8, Zerfoss 4, Ireland 0, Schwant 0; Center, Server 4, Hopkins 0; guards, Scott 10, Gumbert 0, Tuttle 0.
- Morgan, 1 out of 12 trials.
- Referee—Gramig.
- Kentucky State vs. University of Louisville. Score 26 to 15.
- Kentucky State—Forwards, Morgan 4, Zerfoss 4; center, Server 2; guards, Scott 0, Tuttle 0.
- Morgan, 5 free throws out of 14 trials.
- University of Louisville—Forwards, Rogers 6, Kornfeld 4; center, N. Daniels 4; guards, J. Daniels 0, McCaleb 0.
- McCaleb, 12 out of 21 trials.
- Referee—Jamison.
- Girls games. Score 11 to 8.
- State—Forwards, Hughes and Taul; center, Heller; guards, Innes, Woods and Bastin. Points scored—Miss Heller, 8 out of 15 trials.
- University of Louisville—Forwards,

ALPHA ZETA HOLDS ANNUAL CEREMONY

Alpha Zeta, the honorary agricultural fraternity, conducted its annual ceremony Wednesday in chapel.

The fraternity is well established at State and the exercises which it holds every year in chapel are always interesting to the entire student body. The high standards maintained by Alpha Zeta and what the fraternity means to the institution formed the subjects which were so interestingly discussed Wednesday.

Mr. John McDonald presided and with a few well-chosen remarks introduced the speakers. Prof. T. R. Bryant spoke on "Standards of Alpha Zeta," and Prof. George Roberts on "What Alpha Zeta Should Mean to Kentucky State." Both talks were very able and interesting and are applicable to all other fraternities at State.

The initiates, in whose honor the exercises were held, are: Messrs. L. C. Nelson, D. P. Campbell, A. Carman, M. L. McCracken, R. W. Searce, W. C. Mitchell and S. D. Adams.

The active chapter members are: Messrs. John McDonald, S. J. Lowry, Jr., Wayland Rhoads, Kenneth Clore, William Tuttle, Archie Peffer, Phil Richards, Herschel Scott and Harry Galbraith. Messrs. Bryant and Davis are also members but not in school at present.

NOTICE TO SENIORS AND ORGANIZATIONS

The Senior individual pictures of those who have paid their class dues will be mailed to the engraver Saturday. All pictures will be arranged in alphabetical order. Those paying dues after Saturday will be placed in the rear of the list and those who fail to pay will not get a picture in the nineteen and fifteen Kentuckian.

Several organizations have not as yet paid their annual bill and unless same is paid before Saturday at noon the picture will not appear in the annual.

A Kentuckian dance will be given in the Armory, Saturday, March 13, from 8 to 12. Admission, 50 cents. The program to be announced later.

Any one desiring to sign up for an annual must do so before March 15. Only seventy-five cents is required as a deposit. The balance of \$1.75 to be paid on delivery of the book. Sign up at once.

THE STAFF.

Professors E. L. Gillis, J. T. C. Noe, P. P. Boyd, L. L. Dantzer and McHenry Rhoads attended the Superintendent's Division of the National Educational Association at Cincinnati last week.

Wimp, McCallum, 1 goal; center, Hopkins; guards, Koop and Huber.

Miss Wimp, 9 points in free throws out of 19 trials.

Referee—Jamison.

"TAU BETA KAKE" HAS A DELIGHTFUL DANCE

The annual "Tau Beta Kake" dance was given Friday evening at Buell Armory.

The Tau Beta Kakes are those students who have not attained the high standing of the Tau Beta Pi and the dance always follows that of the Tau Beta Pi. The pledges are men among whose grades are at least three "C's."

The dance is always a merry and delightful affair and a novel feature was the lights of many little chandeliers dancing in perfect time to the music, owing to the invention of Mr. S. N. Courtney, called the "Musical Synchronizer."

President W. B. Croan and Miss Bessie White gracefully led the grand march.

The pledges this year are Messrs. T. C. Taylor, George Warwick, D. M. Phelps, H. L. Fearing, Fred Wash, C. K. Dunn, William Clarke and Fred Whitely.

INSTRUCTION GIVEN IN SOCIAL SERVICE

Y. M. C. A. Offers Different Fields of Work for Students.

Following the Mercer-Rugh campaign at State University one hundred and fifty men pledged themselves to lead an aggressive Christian life and plans are being made whereby they can fulfill this agreement. F. H. Kennedy, student president of the Y. M. C. A. has sent out notices to these men offering different fields of work in social service, the students to receive previous instruction at the University.

As a preparation for the work Dr. J. J. Tigert, of the University, Dr. John Anderson, of the Good Samaritan Hospital, and others will give courses of instruction. The Reform School is the field that offers the greatest amount of work—principally in the way of teaching. There is also a request for teachers for a night school for children, and the janitors at the University have sent a similar request.

A work that was attempted once before is to be adopted again—that of appointing students to act as big brothers to a number of boys whose names have been suggested by the truant officer.

Classes for the instruction of those interested in social service will be held in the Y. M. C. A. room and are as follows:

- A Study of the Bible—Instructor not yet named.
- "Christian Movements in Asia," Dr. John Anderson.
- "The Great Southern Race Problem," Dr. J. J. Tigert.
- "Liquor, the Great American Problem," B. D. Sartin, assistant instructor in the Law Department.

HIGH SCHOOL GIRLS AND JUNIORS WIN

In the annual basket ball game between the Juniors and Sophs at Buell Armory, Tuesday night, the Juniors came out on the long end of a 17 to 11 score. Howe, of the Juniors and Hopkins, of the Sophs, were the stars.

Following the game, the girls of the Lexington High School defeated the co-eds' second team by a score of 10 to 4.

The lineups:

Juniors—Wolfe (capt.) and Felix, center; Howe and Draffen, forwards; Corn and Burke, guards.

Sophomores—Hopkins and Swantz, forwards; Grubbs, center; Clarke and Peak (capt.), guards.

Field goals—Wolfe 1, Felix 2, and 3 foul goals; Corn 1, Grubbs 2, Hopkins 2, Swantz, 3 foul goals.

Referee—Coach Brumage.

Girls' High School—Purnell 5, and Blinding 5, forwards; Barber, center; Haydon and Dean, guards.

State Girls' second team—Woodruff and Dickey, forwards; Mathews 2, center; Geisel and White, guards.

Goals—Miss Purnell 2, Blanding 2, Dickey 2. Fouls—Purnell 1, Blanding 1.

Referee—Ralph Morgan.

Umpire—Miss Van Meter.

DENDROLOGY WORK INTERESTS STUDENTS

The great interest manifested by the students in Dendrology in their work is a glowing tribute to their capable instructor, Prof. Frank McFarland. There are eighty students enrolled in his Dendrology classes, a large number of them taking the subject as an elective. An added compliment to Professor McFarland is the fact that a number of the Experiment Station employees have organized to meet with him on Saturdays from 1:30 to 2:30 to get instruction in tree identification.

In almost any kind of weather one may see groups of students scattered about on the campus studiously endeavoring to learn the different kinds of trees. There are at present 44 different species of trees on the campus, and some of the students can recognize all of them.

The different sections have become interested in raising funds for the purpose of purchasing and setting out species of trees not found on our campus. Eight trees have already been paid for and will be planted by members of the class in the spring. These trees will long remain as a monument upon which the coming generations may proudly gaze.

The first rehearsal of the cantata "Ruth," by Alfred Gaul, will be given by the choral and glee clubs next Monday afternoon in the Y. M. C. A. music studio, at 3:30 o'clock instead of 4:30. All who can sing are urged to join this excellent organization. No dues are charged.

S. I. A. A. ISSUES ELIGIBILITY RULES

Every Athlete Must Certify on Honor That He is "Clean."

The Southern Intercollegiate Athletic Association rules governing the participation of students in intercollegiate athletics were received from President W. M. Riggs, of the S. I. A. A. last week and ordered posted by Professor Gillis, of the Athletic Council.

The rules have been posted in order to acquaint the students with the ruling of the society and to create sentiment against any fraud by the students in their college athletics.

Every college athlete is required to certify on honor:

That he has never received compensation in any form whatsoever for athletic services.

That he is not now receiving from students, alumni, or any other source directly or indirectly, any compensation for his athletic services.

That he has never played on a league baseball team.

That since entering a college in the association he has never played summer ball on a team not belonging to his home county.

That he has never played under an assumed name.

That he has never played in intercollegiate contests for more than four years in any one branch of sport, nor more than five years in all branches of sport.

That he matriculated, within thirty days of the opening of the season in the fall.

That he remained in college last session (if a football player) at least two-thirds of the session.

That he has never played on an athletic club not a member of the A. A. U. or (after 1914) on an "All Star" football team.

"AGS" AND "ECS" HAVE JOINT MEETING

The Agricultural Society and Department of Home Economics held a joint meeting last Monday night, in chapel and later adjourned to the Agricultural Building where the meeting was continued. The meeting was unusually good and the attendance was fine.

Dr. R. N. Maxson made an address on "Relation of Chemistry to Agriculture," in his usual masterful way, and was well received.

In a most pleasing and entertaining way, sprinkled profusely throughout with her fine style of humor, was an illustrated lecture of her recent visit to the Garden Cities of England, by Miss Mary E. Sweeney, instructor in the Department of Home Economics. She had a fine collection of both plain and colored views of Port Sunlight, Bournville and Hampstead Place.

THE IDEA

Published every Thursday throughout the College year by the student body of the State University of Kentucky, for the benefit of the undergraduates, alumni and faculty of the institution.

THE IDEA is the official newspaper of the University. It is issued with the view of furnishing to its subscribers all the college news of Kentucky, together with a digest of items of interest concerning the universities of other states and Canada.

SUBSCRIPTION, ONE DOLLAR PER YEAR. FIVE CENTS PER COPY
Entered at Lexington Post Office as second class mail matter.

PAPER REDUCED.

All concerned regret very much to see The IDEA reduced to four pages. The present management fell heir to a debt of \$490.04, nearly all of which was incurred during the year of '13-'14. The paper should have been reduced last year but was managed with very little regard to its future existence. The business manager has received \$758.69 from students' deposits, a much larger sum than ever before, but after wiping out the deficit left over The IDEA had left from this source only \$268.65.

The present management desires to turn the paper over at the end of the year with as small debt as possible. The news must of necessity be reduced, yet an attempt will be made to publish all important items relating to the University and college life in general.

THE NEWS IN RIME.

_____ cops this crazy stuff,
But gives no line of credit,
Which makes the students up there think
That they themselves had said it.
Likewise guilty are the _____,
Also another college;
We cannot guess,
Just why, unless,
They think 'tis without our knowledge.

We do not give the names because
The censor will not let us,
But just the same the guilty ones,
Should very easily "get" us.
The girls have lost a single game,
And Louisville was the reason,
The 'varsity bunch
Gave punch for punch,
And broke even for the season.

Some of the track men think they
are pulling one over by wearing _____
for track suits.
_____ and _____ are among
those who quit school just after exams
"at their parents' request."

Harry Able was the only one who
was "able" to introduce the "Kastle"
Walk at the Kake Walk.

Miss _____ wore an awfully pretty
hat to school Monday morning, but
we have been told confidentially that
she got it with _____ coffee signatures.

The married students of William
Jewell College have formed a club and
we wish to suggest as a title for the
club song the popular favorite, "We
Need Sympathy."

Two students at the University of
Colorado, after playing pool continuously
for 8½ hours claim the long distance
pool playing championship.
What is there in it to brag about?

A new method of tipping has been
introduced at the Barbara Blount dining
room, says the Tennessee Orange
and White. But after all it's nothing
but a simple case of "I saw you first;
pay me!"

As institutions of learning the billiard
and pool rooms of the country have
never graduated any statesmen,
scientists, artists or poets. Now and
then, however, they turn out a mandolin
player.—Clipped.

The rumor that the trousers used in
the Philosphian play belonged to
_____ and _____ seems to
have some foundation for neither of
the boys were seen out on the street
Wednesday.

The president of Western Reserve
University has announced that henceforth
it will be perfectly proper for
girls to do their own swearing, says an
exchange.

_____ (?)
_____?

For two years the Tennessee football
team has defeated ours and for
two years our basketball team has
been the only team that has not been
defeated by the Tennesseans, which
seems to show that the "hobtailed"
Wildcat is some fighter.

It is rumored that when _____
went out in his _____ car the other
night to see Miss _____, he set
the emergency brake and tied his dog
to the car; when he got ready to leave
the _____ car wasn't to be seen, and
after a long search he found the dog
pulling it three miles down the pike.

N. B.—In keeping with the balmy spring breezes, the paragraphs this week became of such a capering, cavorting and breezy nature that ye Gaddy thought it best to pass them through the hands of a censor. Hence the dashes.

The IDEA wishes to inform the patrons of Miss Spurr's dancing classes that her dances have not been discontinued until after lent. The "Bugfly" gave out an unofficial statement, which should have been regarded with as little importance as an unofficial war report.

Dr. L. R. Hummelberger, of the Michigan Agricultural College, has assumed his duties as assistant professor in pathology at the University.

BOOK REVIEW.

"The Student Standard of Action," by Harrison Tackett Elliott and Ethel Culter, is written to be of vital interest to every thinking college student. It conveys, with great force, a series of questions both for daily and weekly reading. They are so clearly defined, and so clearly answered, that even in casual reading great benefit is derived.

The buoyancy and sureness, with which it is depicted, the deep thought and painstaking analysis given to every question will make this book valuable not only to every student today, but to students for many years to come.

The work has been classified into twelve chapters, each chapter identified under three divisions: Daily Reading, Study for the Week, and Suggestions for Thought and Discussion. Through Chapter I, one may glance and see the purport of this book. It is headed "The College Purpose," beginning with the questions, What makes college worth while? The reason for college education? How does the college foreshadow the future? and many others.

Each question is answered by quotations from the Bible, following closely the life and words of Jesus, for the solution.

The authors realize that social and ethic laws must be applied to human beings, and that only in following the great inner laws of life, defined in the Bible, can one expect to have a real chance for their fulfillment.

HIGH JINKS.

Arthur Hammerstein, who will send "High Jinks" to the Ben All Theatre, Tuesday and Wednesday nights, March 9 and 10, enjoys the distinction of being the only musical comedy producer in the United States today who has never had a failure. He started his career brilliantly with "Naughty Marietta." Then followed "The Firefly" and after that came "High Jinks," which ran all last winter at the Casino in New York, breaking the musical comedy record of the Gotham season. Otta Hauerbach is the author of the libretto and Rudolf Friml composed the score. Hauerbach and Friml were responsible for "The Firefly."

SENIOR TRIP

The Seniors will leave Sunday, March 21st, for their annual inspection trip to Chicago and environs.

Detailed information is as yet unavailable. The trip will extend over ten days and include inspection tours of the greater engineering projects of Chicago, ending with a banquet by the Chicago Alumni Association, at which a large attendance of Kentucky men is expected.

HENRY CLAY SOCIETY

All members of the Henry Clay Law Society are requested to be out next Monday evening at 7:30 o'clock.

Prof. J. T. C. Noe was with the society last evening and delivered a splendid address and all who were not present missed some valuable knowledge for a young lawyer.

Judge W. T. Lafferty will address the society next Monday on "The Lawyer of Tomorrow."

Dr. J. J. Tigert, who was to address the society this week was called away but we are assured that he will be with us at some future time. Visitors are welcome. Watch bulletin for program.

INTERSCHOLASTIC TRACK MEET IN MAY

The interscholastic track meet will be held at the University May 14, 15 and 16, by the University itself, since the Interscholastic League which has formerly conducted the meet, has been defunct from a lack of interest on the part of the high school teachers and superintendents. Believing that the meets are of benefit both to the University and to the schools, the University authorities have taken it on themselves to arrange the meet. The high school superintendents will meet here at the same time.

UNIVERSITY TENNIS CLUB IS ORGANIZED

At a meeting of the Tennis Club held last week, Keeling G. Pulliam, of Lexington, was elected president; Karl Zerfoss, of Ashland, vice-president; John Marsh, of Maysville, Secretary, and J. O. Reynolds, of Lexington, treasurer. Matches will be arranged with other Kentucky colleges and three varsity "K's" will be awarded those representing the University in these matches. Two new courts will be graded and put in shape.

"AG" PROFESSORS GO TO HENDERSON

Professors T. R. Bryant, J. H. Carmody and George Roberts attended the Farmer's Institute meetings at Henderson Tuesday, Wednesday and Thursday of last week.

Prof. Roberts also visited the experiment plots in Muhlenberg County and made several addresses at farmers meetings at Greenville.

SCRUBBY HOBSON HERE.

W. E. Hobson, '13, of the College of Mines and Metallurgy, was in town last week to attend the annual banquet of the A. T. O. Fraternity. Upon his graduation in '13, Scrubby accepted a position as engineer with the Consolidation Coal Co. at Jenkins, where he is still employed.

"Bill, gimme a handful of waste," I cried—

I was under the auto to grease it. But Bill had an armful of waist in the car.

And wasn't disposed to release it. —Univ. of Cincinnati News.

JULIUS WOLF HONORED.

L. K. Frankel, of the College of Mechanical and Electrical Engineering, professor of applied mechanics of materials, has recently received the following letter from Mansfield Merriman, civil engineer of national prominence and author of a large number of successful engineering textbooks and handbooks:

"Dear Sir: Messrs. Wiley have handed me your letter of February 9, calling my attention to an error on page 290 of 'Mechanics of Materials,' whereby (h) has been unfortunately replaced by (d). I am much indebted to your student, Julius Wolf, for the detection of this error, and I have asked Messrs. Wiley to send you a copy of my book on 'Sanitary Engineering.' Will you kindly hand it to Mr. Wolf, with my thanks for his excellent algebraic work which I enclose herewith.

"Yours truly,
"MANSFIELD MERRIMAN."

Wolf was a Junior and since his Freshman year has displayed a marked mathematical ability. The detection of an error in a treatise of this kind indicates an unusual application and thoroughness.

EXCRUCIATORS

Ye Fates, Ye Gods what have I done,
That I am thus beset—
From morn' til night, from sun to sun,
Those eyes I can't forget.
They magnetize me all the day
And fill my thoughts with fire.
At work, asleep, and e'en in play
I fall—from a desire
To have them near eternally,
To worship—idolize
To fill my soul with ecstasy—
Those eyes—mesmeric eyes. —LEO.

PATT HALL NEWS

Miss Evalie Allender was the guest of Miss Bessie White, Friday night.
Miss Olive Taul spent the week-end with Miss Aleene Edwards.
Miss Alla Turner returned to her home in Vinegar Bend, Ala., Tuesday morning, after a pleasant visit to the Chi Omega Sorority.
Miss Marie Seidel is spending this week at the Hall.
Miss Aleene Kavanaugh spent the week-end in Lawrenceburg.
Miss Susanne Beitz visited in Paris, Sunday.
Miss Eloise Ginn was the guest of Miss Jacqueline Hall, Monday night.
Miss Alice Gregory is ill of tonsillitis.
Miss Hopper took dinner with Mrs. Campbell, Sunday.
Miss Lullie Harbison has returned to Shelbyville.
Miss Elizabeth Rodes spent Friday night here.
Misses Mattie McMurtry and Marian Horine were visitors in Nicholasville, last week-end.
Mrs. C. B. Posey, of London, was the guest of her niece, Miss Stella Pennington, Monday.
Miss Florence Lewis spent the week-end with her sister, Mrs. Hughes Jackson, on West Sixth.
Mrs. W. M. Duncan was the guest of her daughters Elizabeth and Florence.
Miss Robena Prellitt is visiting her sister, Miss Dorothea, who is ill in the Good Samaritan Hospital. They will both return home soon.
Miss Newell Smith has returned to re-enter school.

**HITCH IN GRADING
OF WINSLOW STREET**

A hitch has developed in the proposition tentatively agreed to between the city and the University for the improvement of Winslow Street, the Executive Committee of the Board of Trustees of the University failing to ratify the provisions of the agreement. The Carey-Carey Reed Company has already done about \$2,000 worth of work on the job and is anxious to complete the work while the city officials are anxious to see the street improved. President Johnson and P. P. Johnston, of the board, called at the City Hall Saturday to see Mayor Cassidy about the matter and another meeting of the board will be held tomorrow with the view of straightening out the tangle, so that the work on the thoroughfare can continue.

**I. P. A. EXECUTIVE
COMMITTEE MEETS**

The executive committee of the Kentucky Intercollegiate Prohibition Association met Monday afternoon at 1:30 o'clock in the Y. M. C. A. room of the University. Kentucky State was represented by R. E. L. Murphy and B. D. Sartin. E. D. Hinkle was elected president and R. E. L. Murphy, State Secretary. At the meeting it was decided to hold the annual State convention and oratorical contest this year at Asbury College, May 3 and 4, and announcement was made that Richmond P. Hobson, of Alabama, had accepted an invitation to attend this convention.

**PROFESSOR NOE TO
LECTURE AT Y. M. C. A.**

"Student Honor" will be the subject of an address to be given by Prof. J. T. C. Noe to the Y. M. C. A. Friday noon, 12 to 12:25. Those who miss it will miss "IT." This is a worth-while meeting when a worth-while address will be a big attraction.

The Association quartet will sing one number and the progress of the Extension Fund Campaign will be announced at this meeting.

Don't fail to come at noon tomorrow, 12 to 12:25.

Pres. H. S. Barker and Prof. D. V. Terrell, of the College of Civil Engineering, went to Louisa, in Lawrence County, last week, to deliver an address in the interest of good roads. Lawrence County is one of the first to take advantage of a recent act of the legislature to appropriate an amount equal to that raised by the county, and a big effort will be made to put a \$100,000 bond issue through.

**RICE ADDRESSES
A. S. M. E. STUDENTS**

On Wednesday, February 24, Mr. Calvin W. Rice, Secretary of the American Society of Mechanical Engineers, addressed this branch of the society.

Mr. Rice first remarked briefly upon the past and proposed work of the society, following with an illustrated story of the recent trip to Germany, made by a number of the members and their families.

For the voyage a liner was chartered and the crossing was enlivened with many features of interest, invented by those aboard.

**PAUL GOSSAGE TO
AID WILDCAT COACH**

Paul Gossage, a leading twirler with the pennant-winning Owensboro Club of the Kitty League last season and a student this year in the College of Law will assist Coach Brumage in developing the new recruits this year. Mr. Gossage was sold to Milwaukee by the Owensboro Club at the end of the season for a good price, but will not report until he has completed his school year.

**HISTORY AND PO-
LITICAL SCIENCE**

The program of the History Club will be given Monday night, March 8th at 7:30 o'clock.

Mr. E. E. Smith, of Owenton, offers a prize of five dollars for the best criticism of his pamphlet on the government of great cities, entitled, "Metropolitan Autonomy." Copies are on sale at the University Book Store. The award will be announced by Mr. Smith, April 30th. Those interested may consult Dr. Tutthill.

More than usual interest in shown in the Japanese Society prize this year. Several contestants have consulted members of the local committee, and it is possible that both first and second prizes will be awarded. The New York Committee writes that all is in readiness for the awards.

The American Economic Association which met at Princeton, N. J. during the holidays is considering an invitation to meet in Lexington next December. The faculty has joined with the Board of Commerce in an effort to obtain this convention, and encouraging statements come from the Secretary of the Association regarding the attractiveness of Lexington. The matter will be decided by the Executive Committee late in the spring.

**KENTUCKY MINING
SOCIETY MEETING**

The Kentucky Mining Society met Tuesday night at the Mining Building, the program being rendered by G. C. Rogers, who explained in detail a number of slides furnished the society by the Bureau of Mines.

Resolutions of condolence were passed upon the death of William S. Theising, who had formerly been a very prominent member of this society.

EVANS, '03, AT PEORIA.

Frederick H. Evans, B. M. E., '03, principal of vocational work of the Bradley Polytechnic Institute, Peoria, Ill., delivered an address at the meeting of school superintendents in Cincinnati, last week. The subject of his address was "The Essence of Success in Evening Vocational Work."

STUDENTS, ATTENTION!

Need Lumber? Good Lumber?

It is not alone necessary that lumber shall be good in the first place, but good lumber to retain its goodness must have proper care and attention.

Every stick of lumber that enters our yards is carefully handled. Some is stacked on sticks, some piled in open sheds and some put in enclosed buildings, according to the individual needs. So, each piece will reach you in the best possible condition.

You will find, here, lumber for any purpose from the smallest operation to any ordinary undertaking.
