

Irregularities

Minutes of the Meeting of the Board of Trustees of the University of Kentucky, June 2, 1953.

The Board of Trustees of the University of Kentucky met in the President's Office at 10:00 a. m. , CST, Tuesday, June 2, 1953, with the following members present: Governor Lawrence W. Wetherby, Chairman; Guy A. Huguelet, Mrs. Paul G. Blazer, Harper Gatton, R. P. Hobson, J. C. Everett, Herndon J. Evans, Paul M. Basham and Carl Dempewolfe. Absent were: Wendell P. Butler, Thomas A. Ballantine, Ben S. Adams, M. W. Moore, Smith D. Broadbent, Jr. , and H. D. Palmore. Present also were Vice President Leo M. Chamberlain and Secretary Frank D. Peterson.

A. Approval of Minutes.

On motion duly made, seconded and carried, the minutes of the Board of Trustees of April 7, 1953, and the minutes of the Executive Committee of April 24 and May 16, 1953, were approved as published.

B. Budget Changes.

Doctor Chamberlain submitted list of changes in the University budget amounting to a net increase of \$1,500.00, and recommended that the increased appropriations be authorized.

Upon motion duly made, seconded and carried, the Comptroller was authorized to make the necessary budget adjustments to reflect an increase in the appropriations for Account 260 and Account 1410 of \$1,500.00, and the list was ordered filed with the Secretary.

C. Purchase of Lot on Prall Street.

Doctor Chamberlain reported that he had received a recommendation from Comptroller Frank D. Peterson that the University purchase a vacant lot on Prall Street opposite the junction of Winnie Street. The lot is approximately 32' x 100'.

Members of the Board discussed the advisability of purchasing the vacant lot for the sum of \$800.00.

Upon motion duly made, seconded and carried, the Comptroller was directed to complete the transaction, purchase the lot for the sum of \$800.00, and pay for same from the Haggin Fund.

D. Report on Dairy Barn Fire.

Doctor Chamberlain read to the Board a communication from the Comptroller reporting a fire on May 24, 1953, at the Dairy Barn.

June 1, 1953

Dr. H. L. Donovan, President
University of Kentucky

My dear President Donovan:

This is to report a fire on May 24 at the Dairy Barn. This barn was constructed during 1947-48. The general construction contract amounted to \$140,525.84. It was used by the Dairy Section of the Animal Industries Department of the Agricultural Experiment Station. It is under the supervision of Dr. D. M. Seath, Professor of Dairy Husbandry in charge of the Dairy Section. Mr. Garland Bastin is the superintendent in charge of the building. He has been in this capacity for four years.

At the time of the fire the following persons were in or near the building:

1. Garland Bastin, Superintendent of the Dairy Barn.
2. Newman Bastin, Hardyville, Kentucky, who through the week-end was visiting his brother, Garland.
3. Ora Florence, a farm hand.
4. Jack Miller, Student.
5. Bill Poor, Student.
6. John Woeste.

These persons had been doing the feeding and milking of approximately 50 cows and the feeding and watering of approximately 30 calves. Mr. Garland Bastin and Mr. Newman Bastin arrived at the barn at about 6:10 a. m., C. D. T. They went through the office, picked up experiment test record on eleven calves being fed on the second floor of the Dairy barn. They went up the stairway. Mr. Newman Bastin turned on the electric lights. Each stated that he saw into the east and south wings of the barn loft and everything was all right. They did not smell smoke nor see fire. They then went to the south wing where they fed milk and bran to four calves and took the usual record on the calves. Mr. Newman Bastin watered these calves. Mr. Garland Bastin stated that he heard some noise that sounded as if something was burning. He came from the south wing, looked into the east wing, and there he noted that a rick of baled straw was in flames from the top down to about middle-way of the rick. He stated that the rick

of straw was approximately twelve feet high. He yelled that the barn was on fire and ran down the steps to turn in the alarm. By the time Newman Bastin came from the south wing to where he could see in the east wing the fire, according to his statement, had fairly well engulfed the entire east wing.

At about this time Mr. Ora Florence saw smoke coming from the windows on the south side of the east wing. Mr. Jack Miller had gone across the road to get another cow to milk, and on the way back he noticed smoke coming from the windows on the north side of the east wing. Both men ran to give the alarm, but learned that Mr. Bastin had already done so.

An investigation was held in President Donovan's office. Present were: the writer; Dean Frank J. Welch; Fire Chief, Earl P. McDaniel; Deputy Fire Chief, Steve Logan; and Mrs. Ena Whitis, Stenographer, who took the statement of each witness who was present. Each of the above-named persons who was in or near the barn was individually questioned separately. A stenographic copy of the statement of each one involved was made.

Fire Chief McDaniel agreed to continue the investigation of the fire.

After hearing the evidence of those in or about the barn, we came to the conclusion that the fire started because of some failure on the part of the electrical wiring, or it was deliberately set on fire, since there was no evidence of any fire anywhere in the second floor of the barn at ten minutes past 6:00 a. m., and by twenty to twenty-five minutes after 6:00 a. m. the entire east wing was in flames. The wiring of this building was all in conduit. There was, however, an outlet flush with the barn ceiling above the rick of straw. All of the feed in the loft was old feed, the straw having been placed in the barn last August. There was no new feed in the barn. We do not believe it could be internal combustion. There was an electric storm between 10:30 and 11:00 on Saturday night preceding the fire and some lightning and rain Sunday morning between 6:00 a. m. and 6:30 a. m. We found no evidence that lightning had struck the building. The building was protected by lightning rods. Those questioned that had an opinion as to how the fire started thought it must have started because of some defect in the electric wiring.

The representatives of the State Fire and Tornado Insurance Department visited the scene on Monday and agreed that if the University decided to rebuild the upper portion of the Dairy barn, adjustment could await and be fixed by the contract bid for rebuilding the upper portion of the building and the replacement of materials, supplies, and equipment.

The debris was immediately cleared and the Dairy continued to operate from Sunday night on. Plans for the rebuilding of the upper section of the building are available and specifications are now being rewritten which may be used for the request of bids for the rebuilding of the upper section.

The loft floor was a concrete slab. It prevented the first section from being damaged by fire and apparently it was not damaged by heat. Opinions of competent engineers will be secured. We recommend that the building be rebuilt immediately and that authorization be given.

Respectfully submitted,

(Signed) Frank D. Peterson
Comptroller.

A discussion ensued and Board members being advised, upon motion duly made, seconded and carried, the report was received and the Department of Business Management and Control was authorized to proceed as speedily as possible to revise plans and specifications and cause the Dairy Barn to be rebuilt as soon as possible, with proceeds from insurance carried on the building, reasonable allowance for depreciation being considered.

E. Report on New Men' s Residence Hall.

Doctor Chamberlain reported that he had been advised by the Comptroller that plans and specifications for the residence hall for men, as revised, had received the approval of state and local authorities necessary, and same had been delivered by the architect, John F. Wilson, to the University. Plans and specifications will be submitted to the Federal Home and Finance Agency, Chicago, Illinois, within the week. He stated that it would be necessary to await action of the regional office of the Federal Home and Finance Agency. He suggested that the University be given full authority to advertise for bids for the construction of the men' s residence hall, when cleared by the regional office of the Federal Home and Finance Agency.

Upon motion duly made, seconded and carried, the report was received and bids authorized taken.

F. Report on New Women' s Residence Hall.

Doctor Chamberlain reported that plans and specifications for the women' s residence hall, north of Patterson Hall, had received final approval by the Regional Office of the Federal Home and Finance Agency, provided certain changes are made, which changes have been agreed to by the University. He stated that approval for loan of \$ 722, 000. 00 to apply toward the construction of this building had been approved and an agreement executed by the Federal Government and authorities of the University.

Application has been submitted to the State Property and Building Commission for a grant of \$ 400, 000. 00, and advertisement for the construction of this building must necessarily await action of the Kentucky State Property and Building Commission.

Upon motion duly made, seconded and carried, the report was received.

G. Revision of Plans and Specifications for the Women's Residence Hall Authorized.

Doctor Chamberlain reported that it would be necessary to make certain revisions in the present plans of the women's residence hall, and it would be necessary to re-write portions of the specifications, since the original plans and specifications were completed about two years ago. He stated that Frankel and Curtis were the original architects on this building and they had submitted an offer to revise the plans and specifications to meet the Federal Home and Finance Agency requirements at a cost of \$ 7.00 per man-hour of work on the revision, not to exceed a maximum of \$ 3,200.00, for the complete job of revising the plans and specifications.

H. Report on the Progress of the Six Small Dormitories.

Doctor Chamberlain reported that contract for the six small dormitories had been awarded to the Hargett Construction Company of Lexington, the excavation work and foundation footings had been completed, and the work was progressing as scheduled. The sale and delivery of \$ 710,000.00 revenue bonds had been consummated and funds transmitted to the State Treasurer. He stated that the architect had promised to complete work on these buildings by January, 1954, and five of the buildings had been rented to five fraternity house corporations, which lease contracts would be consummated within the next few months.

Upon motion duly made, seconded and carried, the report on the six small dormitories was authorized received.

I. Scholarships for Foreign Students Approved.

Doctor Chamberlain reported recommendation of the Foreign Student Committee to award free-fee scholarships for the academic year 1953-54 to

Ilhan Kum
Melahat B. Ahiskali
Beria Berker.

Doctor Chamberlain recommended that the request be granted.

Upon motion duly made, seconded and carried, free-fee scholarships for the academic year 1953-54 were granted to Ilhan Kum, Melahat B. Ahiskali and Beria Berker.

J. Experiment Station and Agricultural Extension Budgets Approved.

Doctor Chamberlain submitted budgets for the Agricultural Experiment Station and the Division of Agricultural Extension. He stated that these budgets had not been previously submitted because the amount the University would receive from Federal appropriations for the work of these divisions could not be ascertained at an earlier date. Copies of the budgets as prepared were distributed to members of the Board. The budgets detailed the appropriations by departments and personnel involved. Members of the Board examined the budgets. Governor Wetherby, Chairman of the Board, asked if the budget appropriations would be seriously affected if state appropriations for the ensuing year were reduced. The Board was advised that these budgets had been prepared with the viewpoint of the appropriation for the ensuing year being reduced by a total of \$ 115, 000. 00.

Members of the Board being duly advised, upon motion duly made, seconded and carried, the budgets for the University of Kentucky Agricultural Experiment Station and the Agricultural Extension Division were authorized accepted as a basis of maximum expenditures for the year 1953-1954. The inclusion of the name of any person in each budget is not to be considered as a contract of employment, and the Board of Trustees or the Executive Committee shall be authorized to make such changes in these budgets as may from time to time be deemed necessary.

K. Candidates for Degrees.

Vice President Chamberlain submitted list of candidates for degrees at the 86th Annual Commencement exercises. He stated that the University Faculty had voted to recommend the persons' names to the Board of Trustees for the degrees indicated, and recommended that the Board concur in the recommendation of the Faculty.

William Garrard Leger
Cordell Bridges Moore
Scott Compton Osborn
Woodridge Spears

Upon motion duly made, seconded and carried, the Board concurred in the recommendation of the Vice President, and the degree to which each person is entitled was ordered conferred at the June Commencement.

L. Professor James W. Martin to Do Off-Campus Work.

Doctor Chamberlain reported that he was in receipt of a request from Professor James W. Martin, Director of the Bureau of Business Research, approved by Dr. Cecil C. Carpenter, Dean of the College of Commerce, to do consulting work with the Southern Regional Education Board during a few days of the summer months. It was explained that Professor Martin could contribute valuable advice toward the development of some worth-while research in the field of highway economics, and his assistance on this project might contribute materially to the furtherance of the program. Dean Carpenter recommended that the request be granted, with the understanding that the honorarium be reported for approval when same is determined.

Upon motion duly made, seconded and carried, the request of Professor Martin was approved, and he was directed to report the amount of the honorarium to the President for approval.

M. Dean Elvis J. Stahr, Jr., Granted Leave for Summer Months. Professor W. D. Ham Designated Acting Dean.

Doctor Chamberlain stated that the Assistant Secretary of the Army had requested of President Donovan the services of Dean Elvis J. Stahr, Jr., to serve as an assistant to the Secretary of the Army during July and August, 1953. Dean Stahr has requested leave without pay for this period. He has recommended that Professor Willburt D. Ham be designated Acting Dean during Dean Stahr's absence, with a slight adjustment in salary for the months of July and August.

Upon motion duly made, seconded and carried, Dean Elvis J. Stahr, Jr., was granted a leave of absence without pay for the summer months, and Professor Willburt D. Ham was designated Acting Dean, with a salary adjustment for July and August, 1953.

N. Form of Lease Agreement with Fraternities Approved.

Doctor Chamberlain submitted copy of a lease agreement between the Board of Trustees of the University and various fraternities or house corporations for University student dormitories constructed on part of the campus of the University. The lease agreement provides that certain buildings may be leased to certain fraternities for a period of four years, subject to renewal for additional periods of four years as long as the lessees comply with the terms of the leases in all respects.

He explained that these leases are to be executed in connection with the construction of six small dormitories, sometimes referred to as fraternity houses, on fraternity row. The houses are to be leased to the fraternities at a stipulated annual rental sufficient to amortize the indebtedness on the buildings. When the buildings have been paid for, the fraternities may continue to lease these houses for a nominal rental sufficient to cover cost of insuring, maintaining, repairing and servicing the property and buildings thereon, as determined by the lessor.

Members of the Board examined the lease, and upon being advised, on motion duly made, seconded and carried, the form was approved and the Comptroller was authorized to execute leases with the fraternities through their house corporations or other controlling organizations.

O. Oil and Gas Lease on Texas Land Authorized.

The Comptroller submitted a proposal from E. E. Scannell to pay a consideration of \$3,200.00 for a ten year lease on 320 acres, more or less, in Young County, Texas, and an annual rental of \$320.00 during the life of the oil and gas lease. It is understood that refusal to pay the annual rental of \$320.00 will cancel the lease. It was also further explained that the oil and gas lease had previously been held by the Warren Oil Corporation and had expired May 20, 1953.

Members of the Board examined the lease and expressed the opinion that the offer should be accepted. After a general discussion, upon motion duly made, seconded and carried, the oil and gas lease was authorized approved and executed on behalf of the University through the Graham Land Office, Graham, Texas, for the lease and rental of the Dillard Estate land, T. E. and L. Co., Survey No. 2388, Abst. No. 1105, 320 acres, Young County, Texas.

P. Gift.

From: United Cerebral Palsy
Association--Check for
\$5,900.00.

Vice President Chamberlain reported receipt of check for \$5,900.00 from the United Cerebral Palsy Association, to be used to conduct a Vocational Workshop to be held at the University in the summer of 1953. He recommended that the grant be accepted.

Upon motion duly made, seconded and carried, the gift of \$5,900.00 given to the University by the United Cerebral Palsy Association was ordered accepted, and Vice President Chamberlain was requested to thank the Association for their donation.

Q. Appointments, Reappointments, and Other Staff Changes.

President Donovan submitted staff appointments, reappointments, salary adjustments, leaves of absence, resignations, promotions and other staff changes requested by deans and heads of departments.

COLLEGE OF ARTS AND SCIENCES

Promotions

Adler, Jacob Henry, from Instructor, Department of English, Speech and Dramatic Arts, to Assistant Professor, for one year.

Drenan, James W., from Instructor, Department of Chemistry, to Assistant Professor, for one year.

Green, Anne G., from Instructor, Department of Art, to Assistant Professor, for three years.

Johnson, Bernard, from Instructor, Department of Physical Education, to Assistant Professor, for three years.

Overly, Dorothy N., from Instructor, Northern Extension Center, to Assistant Professor, for one year.

Talbert, Charles G., from Instructor, Northern Extension Center, to Assistant Professor, for one year.

Barnhart, C. R., from Assistant Professor, Department of Art, to Associate Professor, on continuous tenure.

Bills, Robert E., from Assistant Professor, Department of Psychology, to Associate Professor, on continuous tenure.

Blackburn, Arnold, from Assistant Professor, Department of Music, to Associate Professor, on continuous tenure.

Kiviniemi, Aimo, from Assistant Professor, Department of Music, to Associate Professor, on continuous tenure.

Summers, Hollis S., from Assistant Professor, Department of English, Speech and Dramatic Arts, to Associate Professor, on continuous tenure.

Cooke, Arthur L., from Associate Professor, Department of English, Speech and Dramatic Arts, to Professor.

Carr, Martha G., from Associate Professor, Department of Physical Education, to Professor.

Hamilton, W. B., from Associate Professor, Department of Hygiene and Public Health, to Professor.

Humphries, James C., from Associate Professor, Department of Bacteriology, to Professor.

Reappointments for the Year 1953-54, unless otherwise stated.

Anatomy and Physiology

Crawford, Edna White, Secretary

Ecton, Ralph W., Stockroom and Equipment Supervisor

Ancient Languages

Brophy, Ruth, Secretary
 Hallock, Stuart, Instructor, (Production Supervisor, WBKY)
 Halyard, Camille, Director and Acting Head of Department
 Press, O. Leonard, Instructor (Production Supervisor, WBKY)
 Wright, David, Chief Engineer WBKY

Social Work

Pirri, Irma Deane, Assistant Professor, for Summer, 1953
Steele, Anita C., Secretary

Sociology

Eckel, Lois, Clerk-Stenographer, Part-time
Hughes, James W., Instructor
Midkiff, Evelyn Louise, Secretary
Sutton, Willis A., Jr., Assistant Professor, for three years

Zoology

Edney, J. M., Assistant Professor
Zembroski, Marion, Part-time Secretary

Office of the Dean

Schenck, Thelma, Clerk-Stenographer

Appointments

Theodore R. Cogswell, Instructor, Department of English, effective September 1, 1953.

Robert S. Weatherwax, Instructor, Department of Bacteriology, effective July 1, 1953.

Jane Anderson, Secretary, Department of Chemistry, effective May 18, 1953.

Leaves of Absence

R. E. Bills, Assistant Professor, Department of Psychology, granted a leave of absence for the months of July and August to teach at the University of Florida.

J. Reid Sterrett, Associate Professor, Department of English, Speech and Dramatic Arts, granted a leave for the summer term, 1953.

Irving Fisher, Assistant Professor, Department of Geology, granted a leave for the months of July and August, to do geological research in Maine.

Enno Kraehe, Associate Professor of History, granted leave for July and August to remain in Europe.

Resignations

Jane T. Stewart, Secretary, Department of Air Science and Tactics, effective April 16, 1953.

Thelma E. Rice, Departmental Secretary, Modern Foreign Languages, effective April 30, 1953.

Anna Jane McDonald, Secretary, Department of Chemistry, effective May 31, 1953.

COLLEGE OF AGRICULTURE AND HOME ECONOMICS

Changes in Rank and Title:

Wendell C. Binkley, Assistant Economist in Agricultural Marketing, to Assistant Economist in Agricultural Marketing and Assistant Professor in Agricultural Economics.

John H. Bondurant, Economist in Farm Economics, to Economist in Farm Economics and Associate Professor in Agricultural Economics.

Earl Neal Boyd, Instructor in Dairying, to Assistant Professor in Dairying.

James S. Brown, Assistant Professor of Rural Sociology and Associate Rural Sociologist, to Associate Professor of Rural Sociology and Associate Rural Sociologist.

Ross Brown, Associate Professor and Veterinarian, to Professor and Veterinarian.

A. Lee Coleman, Assistant Professor of Sociology and Assistant Rural Sociologist, to Associate Professor of Sociology and Associate Rural Sociologist.

Encil Deen, Seed Inspector, to Seed Technologist.

Theodore R. Freeman, Professor of Dairying and Dairy Manufacturer, to Professor of Dairying and Dairy Technologist.

Henry B. Morrison, Professor Dairying and Associate Dairy Manufacturer, to Professor of Dairying and Dairy Technologist.

Robert W. Rudd, Assistant Economist in Agricultural Marketing, to Assistant Economist in Agricultural Marketing and Associate Professor in Agricultural Economics.

Howard Tilson, Seed and Nursery Inspector, to Deputy State Entomologist.

Patch G. Woolfolk, Assistant Professor, Animal Husbandry and Assistant in Animal Husbandry, to Associate Professor in Animal Husbandry and Associate Animal Husbandman.

Stephen Diachun, Associate Professor in Agronomy, to Professor.

William A. Seay, Assistant Professor in Agronomy to Associate Professor.

Roy E. Sigafus, Assistant Professor in Agronomy to Associate Professor.

Reappointments for the Year 1953-54Assistant Professors

Agricultural Economics - Harold Clark

Agronomy - Ronald Anderson, Jesse Brooks, William A. Seay, Roy E. Sigafus.

Animal Industry - C. E. Barnhart, E. N. Boyd, James D. Kemp, Charles Lassiter, Robert Long, Charles Thompson, Patch Woolfolk
 Home Economics - Iris Clark, Betty Jane Downer, Elizabeth Helton, Marion McDowell, Roberta S. Taylor, Helen Wilmore.
 Rural Sociology - James S. Brown, Lee Coleman

Instructors

Animal Industry - Garland M. Bastin
 Home Economics - Leora Bentley, Anne McAdams Clemmons, Ruth Guenther
 Horticulture - J. Edward Klinker

Assistant Instructors

Home Economics - Nell Hammond, Karen K. Marvin, Sue Warren

Secretaries-Clerks-Stenographers

Administration - Elizabeth Sloan
 Agricultural Economics - Christine Davis, Analie Francis, Helen Schmidt
 Agronomy - Reva Crabtree, Betty Jo Tune
 Animal Industry - Nellie Lawrence, Virginia Singleton
 Home Economics - Mary Lou Guyn, Evelyn Kelley
 Horticulture - Jane Lee Forrest
 Rural Sociology - Louise Welch

Appointments

Irene Beaty, Clerk, Department of Agronomy and Agricultural Engineering, effective May 15, 1953.

Claude Hensley, Nursery and Seed Inspector, Department of Entomology and Botany, effective June 1, 1953.

Leaves of Absence

Arthur A. Williams, County Agent in Henderson County, granted sabbatical leave for the period September 10, 1953, to June 10, 1954, to enter the University of Kentucky to do graduate work.

Elwyn S. Holmes, Field Agent in Agricultural Engineering, granted sabbatical leave for the period June 1, to August 31, 1953.

Resignations

Mayme J. Brown, Home Demonstration Agent, Morgan County, effective May 31, 1953.

Blanche Browning, Home Demonstration Agent, Mt. Sterling, effective May 31, 1953.

Nancy Pile, Home Demonstration Agent, Allen County, effective May 31, 1953.

Virginia Atkins, Clerk-Stenographer, 4-H Club, effective May 9, 1953.

May 25, 1953

President H. L. Donovan
University of Kentucky
Lexington, Kentucky

Dear President Donovan:

I wish to recommend that all staff members in the Experiment Station, of whatever position, as listed in the June 30, 1953 payroll, except those whose resignations become effective on or before that date, be continued in service, subject to proper performance of duties, availability of funds and approval of the budget by the Board of Trustees.

I also wish to recommend that all members of the secretarial and clerical staff of the Experiment Station as listed in the June 30, 1953 payroll, except those whose resignations become effective on or before that date, be continued in service, subject to proper performance of duties, availability of funds and approval of the budget by the Board of Trustees.

Sincerely yours,

(Signed)

Frank J. Welch
Dean and Director

May 25, 1953

On motion duly made, seconded and carried, on President Donovan's recommendation, the Executive Committee concurred in the above appointments, reappointments, salary adjustments, leaves of absence, resignations, promotions, and other staff changes, and record was ordered made in the minutes.

R. Message of Good Cheer Sent to President Donovan.

Members of the Board took note that President Donovan was temporarily confined in the hospital and requested the Secretary to extend to President Donovan the kindest thought of the members of the Board and best wishes for a speedy recovery, and their sincere hope that he would soon be back at his desk at the University.

S. Adjournment.

On motion duly made, seconded and carried, the Board adjourned at 11:30 a. m., CST, and went to the Student Union where luncheon was served.

Frank D. Peterson, Secretary
 Board of Trustees and Executive
 Committee.
