

July 19, 1903.  
Crafton  
Vermont.

Dear Brother:-

I am  
going to write you a  
few lines long as I don't  
got anything else  
to do. We are going to  
get pay for our bull  
papa has got to go to  
chester to-morrow to  
sign the papers. We  
expect unck Berts  
folks over to stay  
after Blanche.

Our cattle are fat  
but havent sold any  
papa says to tell you  
that we have dit

we sold it pretty  
cheap to what we  
useed do it was the  
bull. They had a  
dance down here  
Friday night I didnt  
go Cecil and Charley  
went I asked Charley  
how he like it he  
says me dont like  
it no good.

I went to the villege  
there was more fun  
for me up there.

I was up there  
Tuesday night got  
home about one oclock.

Our cattle got out  
up to the barber  
pasture and we had  
to take them up to  
the barber pasture

mandary and mend  
spence all day we took  
shub and Charley  
and I took three of  
the cattle home  
and papa drove  
up to the store and  
shub followed him  
up there he told  
him to come with  
us he thought that  
he did and he  
come away he  
didn't see him when  
papa got home  
we asked where  
shub was he said  
he suppose he come

with us so I had  
to hitch up the other  
horse and go up  
I went up to the  
spore and called  
chub he come he  
was so ticked he  
didn't know what  
to do. Wednesday  
night I stayed  
to home we broke  
one wagon coming  
home from the  
Welch place so we  
had to get enough  
and load the hay  
on to that so we  
didn't get done till  
nine o'clock. Thursday  
night I stayed to  
home let him come

over, But Friday  
night I couldn't stay  
at home. I had the  
awfullest time last night  
I've had for a good  
while they had a  
dance after the show  
but there was more  
fun for me out it  
rains pretty hard  
but I had a top  
buggy I told Cecil  
and Charley they  
might stay to the  
dance I intend  
to go to the village  
pretty soon its  
pretty rainy but

I've got a top carriage  
so I get along all  
right. I had one  
of the greatest times  
I havent ever had  
the fourth I suppose  
you had a great  
time I see alot of  
my old freinds  
I got Lenas fellow  
so mad that his  
hair stod on end  
I had a great time  
with Alice and Ella.  
I must close good by.

From you loving  
brother Clyde H. Fisher
