

Dear Leon

Thursday P M

I will say a few words
we are well Papa is
to work for Ernest - Blodgett
he day worked for him.
Yesterday Blanche & I carried
him down and went over
to Uncle George and staid
to dinner and then we
went down to Aunt Ida's
and staid until 5 o'clock
and brought Papa home
Pappa works the day for
Ernest - & going to work to

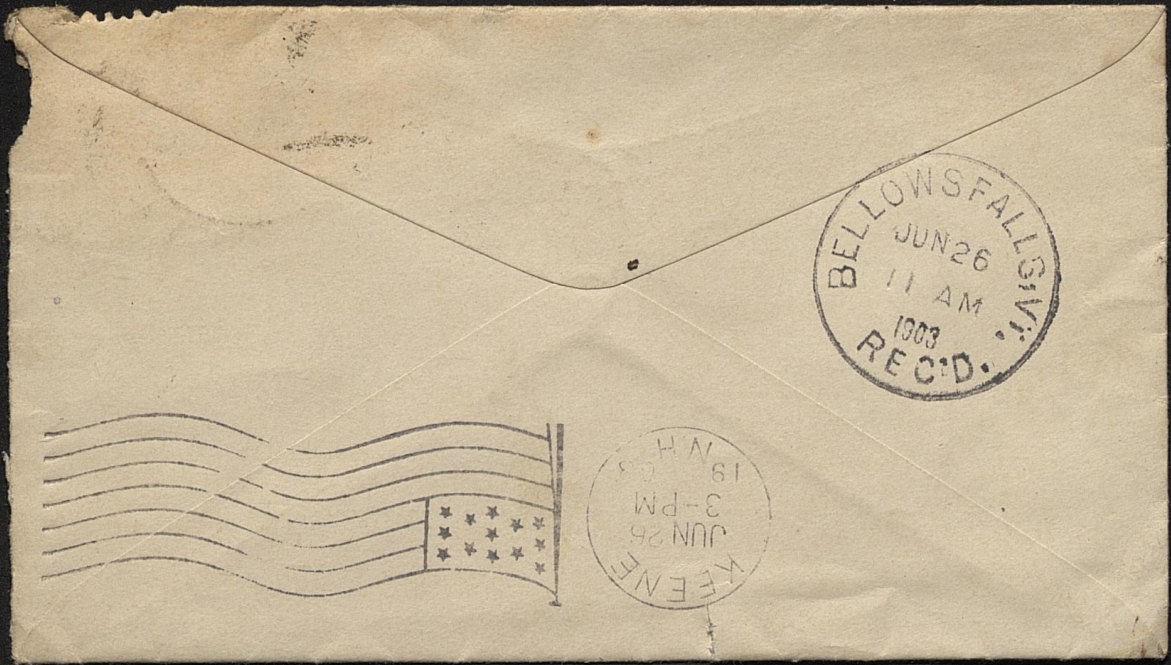

morrow and that will be
all for the present
Ernest Fairbank came
home Tuesday evening and
staid to Hotel Grafters
Tuesday night - Agnes
was married Wednesday
evening and home and
then they came down
to their home got
there at $\frac{1}{2}$ 9 Clyde &
Ceil were up to the
village the Band
serenade them Clyde wants
me to tell you to be
sure and write so we
can get it - Monday
night - wether you want
the Kicker or not -
Ceil will put this on
the Stage this morning
So last - your loving Mamma

Dear Leon

I will write to you
to day Clyde went to Perry
yesterday started early in the
morning and drove in to
the yard 7 o'clock this morning
went to bed have not heard
any thing from him since he
did not get more than
2 hours sleep Friday night
he said he had a good time
and there was a lot of
Grafton folks there
Leon and I went down
to the river stayed to 1 da

went down to Aunt Maria's
eat dinner Stella is at
home after dinner went over
to the Park was not near so
many there as last year
John & Lda & Dorothy came down
we all went to the Play
was not worth ~~seeing~~ anything
we staid until about 7
and came home Mary was
at home when we went
over at night - I had just
a fine time Cathie & Coril
went to the Sales Friday
and got Coril a suit of
clothes and immensely a pair
of every day shoes Maria &
James and Family's were at
the Park they said they were
going to stay to the Fire works
Albert - Alice & Son &
Mable Grinch Thad Parks & Wife

were down from Grafter
& Norman Blodgett were
the only ones I see from
there Clyde says well
you he had a fine time
Aunt Sara was up last-
week Father has traded
a Leach seyer for a cow
with - Haskell Davis
Clyde & Cecil are going
for her this afternoon

Dear Leon

The Golks are most
through on the Welsh place
I do not know whether it
will take one or two days
more well better to night -
Papaa has taken Jim's place
to cut the hay one
Mr Smith & Chris are going
to work for him we heard
them expect Stella this
week she is to Bert's
now I hear

Papa has sold his fat-
steers to Farr at the
River Papa is going to
dress them he gets 6¹/₂
~~per lb has sold that cow~~
he had of Haskell Davis
to Cooledge for 33 dollars
two of his steers go
to morrow Clyde & Cecil
went to church yesterday
Mrs Anos Kendall & her
Grand son came to see
Sarah yesterday

Monday evening
Papa Mr Smith &

Mr Sanderson are to
the Barn butchering
the meat has to go
before flies get round
in the morning

I expect - he will be about
sick when he gets this
lab done but - he would
do it - had a letter

from Lila to night - & he
wants - to come as soon
as we can go for her

I would write more
but - Papa is in
a hurry Good Bye

we had a fearfull shower
here last Sunday towards
night - Papa was out in
the whole of it - after colds -
but he did not seem to get
much cold

My dear Mary
we were good

good deal he did not go
to the Fair and has not
got him any shoes yet -
he and Clyde worked for
Mr Leach yesterday & today
filling Silo to marrow I
think he & Cecil are going
to the Falls with a
Load of Hay for Ernest B
Lodgers & Clyde to the
River with a Load of Wood
we have 10 little Pigs
one of them the old Hog
stepped on and hurt so
I do not think it will
amount to much they
are fine Pigs Fred Morris
Machine is over in the

Web Lot - and when Papa
cranks him he saw a

all gorn I went up for
Aunt Sarah last Wednesday
morning Cecil carried her
back Mr Wright - is dead
buried last Tuesday we
had our Thrashing done
last week had 68 Bushels
of Oats - Papa is going
to fix the Road from
the Top of the Hill down
to the other road that -

going to lay out - 15 dollars
on it - says he shall get -
Mr Smith to work for -
I suppose a Fox took one
of my young Turkeys
yesterday but - do not know
have just - one young one
left - Aunt Sara said Uncle
Albert - was quite sick
last week but - was better
the last she heard

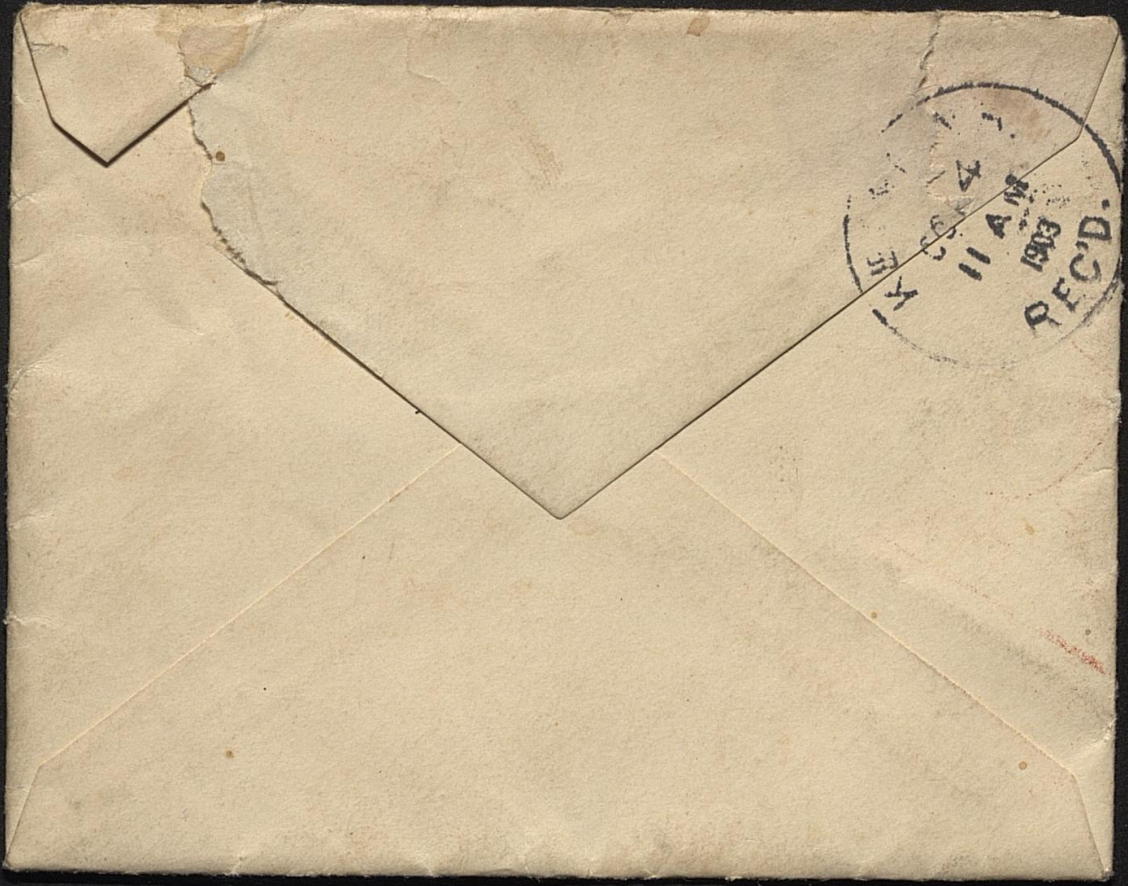

Saturday morning a lovely

hear from you as usual
we are all well we have
the Apples picked here at
home and today Papa Clude
Mr Smith - Levers - have gone
over to the Bloodgers Place
picking Apples in hopes to
get a load for Clude to take
down to Knowlton tomorrow

They think they can carry
100 bushel 20 to hundred. Papa
and Clyde took some cattle
to the Falls yesterday for
Urban Sorand he bought each
one of them a set of under
cloths a piece and Clyde
a sweater it is Green & Red
the Red does not show very
much when he come home
he stopped to Jim Shipman
and traded White Stocking
for a Farrow Cow & 15 dollars
to him - he is very much
pleased with his trade
Papa went a Deer hunting
two days see them but
did not shoot at any
Clyde went last Monday
good share of the day

in the snow storm Clyde
went for Blanche last Friday
night Papa was going to carry
her back Sunday night - but
he had so many callers he
could not - until it was
dark so I had to go Monday
morning it snowed and blowed
all the way up there right
in our faces I did not get
warm for three days but
have got - shaved out now
the snow is all gone and
we have had a beautiful

Dear Leon

It is yearfull cold
to day it has not been
above 6 below zero today
I do hope it will warm
up some soon The water
runs yet it was 16 below
this morning last Monday
about 4 o'clock we got
word George was sick
and there all alone
Papa and I went over
and Papa staid until

The next day in the
afternoon Henry came
about noon Tuesday &
staid until Wednesday
morning Henry went home
Thursday morning Cecil
and I went over Thursday
afternoon and staid until
Friday morning he was
much better thought - he
could get along have not
heard from him since. it
was one of his Chills.
Friday morning Cecil and I
went down and got Dorothy
came home Frank Burdett
and his family got here
most as quick as we did
Clyde & Blanche have gone
to carry Dorothy home
Dapa just came in he
says it is 22 below zero

I expect to get up and
carry Blanche home in
the morning what a week
for the first week in the
year I hope you have not been

Dear Leon

we are all about the
same only Papa is full
as well he is taking
Pink Pills and this
help him he has gone to
Chester today is going to
get a calf to raise that
will make 6 that we
have got started the
Twins have both come in
and their Calfs look very
much alike and both
Puss we will have some
open out of them if
this calf is the

Henry & Ernest I should
have been here since
Tuesday morning
working in Sarah's room
and enjoy only being here
today she is painting
it will be quite a change
in the looks and I - the
last Monday & Tuesday
we had 21 inches of snow

and it is so deep in the
village they had their
Sleighs all put up and
Lyde had raked the
door yard up & went
up to Bert's last Saturday
Blanch came home with
me & carried her home
in the snow I am
not so well

that is up to the
to school the Grange
have their play to
night - Cecil has a slight
part in it - Cecil has
been up to Lovy's Mill
with a load of logs
on a sled this forenoon
went with one of the
afternoon it is not

last long (this snow
& mean) while and I tell
us when you are coming
home again we all want
to know Cecil is most
ready to go to the
village so I will close
write soon

Write - next - week

Dear Leon

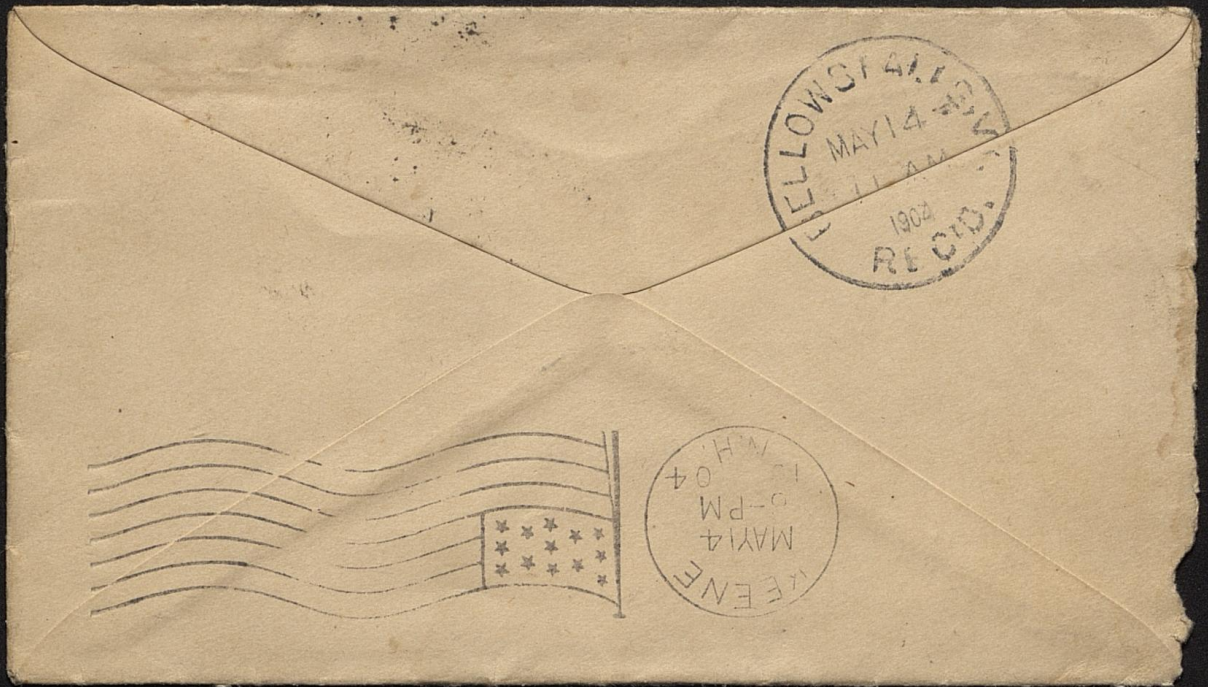

Lyde thinks he shall
go to the village to night -
So I will send you a few
lines I received your letter
last - night - was glad to
get it - Sarah says tell you
to box up some of those
large fish and send them
up we have had a lovely
day to day I have been
cleaning door yard some
to day Cecil has helped
some we have given it -

a start Papa is mending
fence on Bull Hill has
not got home Lyde
worked over to Mr Guckers
this forenoon to morrow they
will sow oats I expect -
last Sunday Cecil and I
went down to Lda's Julia
came home Saturday she thinks
she will be well by the
first of September she will
not be to work until
then Lda is very well also
John & Dorothy Blanche
was over last week
Papa carried he back
Monday and got Kit-
Shod man will be home
Decorations Lyde is most
ready to go so I will
close with lots of love

Dear Peas

Lyde thinks of
going up to the village
to night - so I will send
you a line the Court
came of yesterday but
the jury did not agree
there was 5 to 1 rather
thinks sure it was in
his favor they will have
another one Aug 2
we are all well it
is raining some to day
if it is - it pleases
to morrow I am going

over to Bert's and take
Myra and go over to
Aunt Sarah's it is
her Birth Day Uncle
Henry & Aunt Sara are
coming I do not think
any one else is going
I guess it will rain
Dada has been trying to
sow Oats to day and
Clyde has been harrowing
but do not get along
very well it is raining
every little while they
have bought them a
new Pulverizer of Weaver
Dada is not going to have
Wright's Farm

Andrew Anderson has
hired it for this year
Cecil Sheep sheared 28 lbs
of Wool that was pretty

good Papa Thoughts - have
you had a letter from
Julia & Ida they said
they were going to write
and thank you for your
picture they were
much pleased with
them. Ida said she
commenced to think you
were not going to let
her have one. Papa carried
them down soon after
you were home. I can
not think of any thing
more to write so good

Dear Leon

The Fourth is over with -
we are all right - and hope
you are. Clyde went to the
Lake got home about 2 o'clock
this morning. Blanche has
been here a week, will
stay until next Sunday
or Monday she went down
to Barber's Park with Cecil
and I we got home about
eleven - had a very good
time a lot. Thiers & went
down on the Car's with John
& Lda the first time I

have ever rode on them
The folks have not stayed
here at home any going
up to the Melah place this
week I think Leon will
you bring me home a
handle for my
Flat Iron's I was carless
and broke mine I will pay
for it - we shall go to
Bartonsville for you next
Saturday night - I would
write more but Clyde has the
horse in the wagon to go
to the village so good by
with love Mother

I should of wrote last week
but I had my hands about
full hope you had a good
time the Cowth - shall want
to here about it -

Dear

I will say a few words
to you to night - Clyde was
taken sick the day you
went - back was very sick
all night - it was Indigestion
he was poorly all the week
does not do any hard work
but is better and does
some Papa intends to
finish haying in two days
more if it is as good
weather as to day they have
commence to lay the stack
Aunt Lucia & Dorothy

went home last Thursday
Blanche came Saturday
night - Uncle Nelson will
come to day just before
dinner he will stay to
night - I think I had
much time to write
but will write more
time I miss you I tell
you I carried Julie up to the
village last Thursday morning
so I see how Sara hope I
you are well did you grow
poor while you were so
home say good bye
with lots of love

Dear Leon

Sunday 9th M

It is raining to day
The boys went to get some
Chesnuts to day got two
or three quarts I guess
have not measured them
their job of wood they
get 14 dollars and a half
a cord for setting of the
Oak and 7 dollars for the
rest and he gives them
the wood Sarah says tell
you that she is going

to have some new windows
in the House she thinks
before you come home
I told her I hoped you
would not wait until
they were in the days
come up, and work a
week but she dont think
she will pay you as
much as you get down
there she went down to
Mrs Stearns's Davis Friday
and staid all day &
think she feels better
for it Aunt Sara came
up last Sunday I went
for her she went back
when Cecil school was
done at night did you
get the pictures that
Aunt Sara sent you do
write and let her know

She is a pickel because
Leon does not write
and let her know
Plyde went to the Gallo
yesterday and paid a
Bank Note 30 dollars
toward Mowing Machine
and put up a stoped to
Lda they were well only
cold. He see Stella & Mary
Mary goes to Alexandria
for the winter to dog
They said about Maria
fell hurt her limb
and sprained her
Ghurub so she went to
the Dr I can not
think of any more to
write. Dapa had a

time to the train
when he you coming
home will I get a
letter from you this
week Good bye

Sunday Evening

My dear Boy

I would like to know
if it is snowing down
where you be do' night -
M - Snow's here and the
wind blows full blast -
right - from the North
East - I wish it would
rain and take it all
of for we need more
water before winter
sets in a good share
of our cattle are in

The Pastor's you can
think about what the
Folks will be doing
to morrow unless it
rains. I do not know
how many are coming
Thanks giving we have
asked them all. He
told Aunt Sara she wanted
to come Frank's
Grand Father is not but
just alive Uncle Henry
& Sara went out to
Dana's & Katie's. This last
week and was gone
two nights. They said
they had a grand visit
Uncle George has been
up to day he has got him
a new suit of clothes
and he looked (clear)
Clyde has gone down to

See Prosper & his wife
has not been down before
since he was married
how sad it was about
those boys Lemie killed
no one knows how
quick they will go did
you read about Will Burr
Handing himself the
Folks have drained about
60 cords of Log's down
of the Mill I do hope
you can stay the rest
of the week when
you come home Cecil
says tell Leon he can
write better than he can
he tried to read your
letter he thought you

wrote rather poor &
told him I did not
have any trouble in
reading it - he was kind
& should write you so
I have I can not think
of any thing more to
write - Papd & Sarah
sat here reading so
good night - with lots
of love hope you will
not work as a House Top
to morrow Mother
