

October the 23 day 1843

This is to certify to all it may  
concern that whereas my son  
John Chenault in his life time  
said to his mother that he gave  
his black man Harvey to his  
brother Anderson Chenault and  
his black man Troy to his sister  
Nancy Chenault but to be und-  
er the special care and control  
of his brother Anderson Chenault  
for her benefit least there should  
be any doubt with respect to  
the will I bear by acknowledge  
that if I have any claim to the  
boys or either of them I gave it up  
to the above named Anderson Chena-  
ult and Nancy Chenault by every  
of confirmation to his will
