

November 21st The Faculty met at 12 o'clock at the call of the Pres. Messrs Gowell, Gibson, Harvey, and Linn were charged with having stolen wine from the cellar of Regent Bowman. An investigation of the case showed the charge to be true and that the boys became intoxicated from drinking the wine. It was then resolved that the above named boys be publicly expelled. During the investigation some facts were stated which seemed to show that Joe Lovell had been engaged in distributing cartridges for improper use among the student. Prof. Shackelford and Maj. Lupton were appointed as a Committee to state some facts, known by the Faculty, in regard to the misuse of the game by the students, to the Regents. Hirschaw was excused from History. On motion the Faculty adjourned.
