Dec. 4th 1906

The Scientific Faculty met in Prof. Mallett's room with the following present: Prof. White, Nevill, Tuttle, Mallett, Zumbrod, McKuzen, Jones, Miller and Pryor.

After the reading of the minutes of the previous meeting, the usual course of the standing of those matriculated in the various Scientific courses was made and their standing discussed. Several were reported as doing poor work.

The committee on revision of the Scientific course was given notice as they were not prepared to report. The faculty adjourned.

approved Jan. 23rd 1907.
