At Office, Saturday.
Dear Henry.

Yours of yesterday
was received - I am scarcely able
to get to my office having been
unwell since I saw you - It makes
my dip to the locks on the head.

Wiggie goes to Estle on Wednesday.
He wishes to go to Olympian.
Pressure of engagements keeps me
up when I should be in bed -

I hope you have a pleasant
visit - manage the absence of the
fair Tennesseees from here -

If you hear from my friends
either at Long Branch or Fox Spring
let me hear from you - Give me
at any rate bulletins of your health
I fear you are in a decline - am very
uneasy - Sincerely G. F. Frank Walker.
