

ABBAY OF GETHSEMANI TRAPPIST KENTUCKY 40073

Sept 22. [1967]

Dear Carolyn.

I am most grateful to the library for the xeroxes of articles. The Odavia one has come quick
fruit as you will see from the tape I am sending
you today. There is some Gregorian on it, some
monastic material (doubtless rule) and a
Cargo epic.

Best always.

Tom.
