Rates- Paris, Ky., to California Terminals

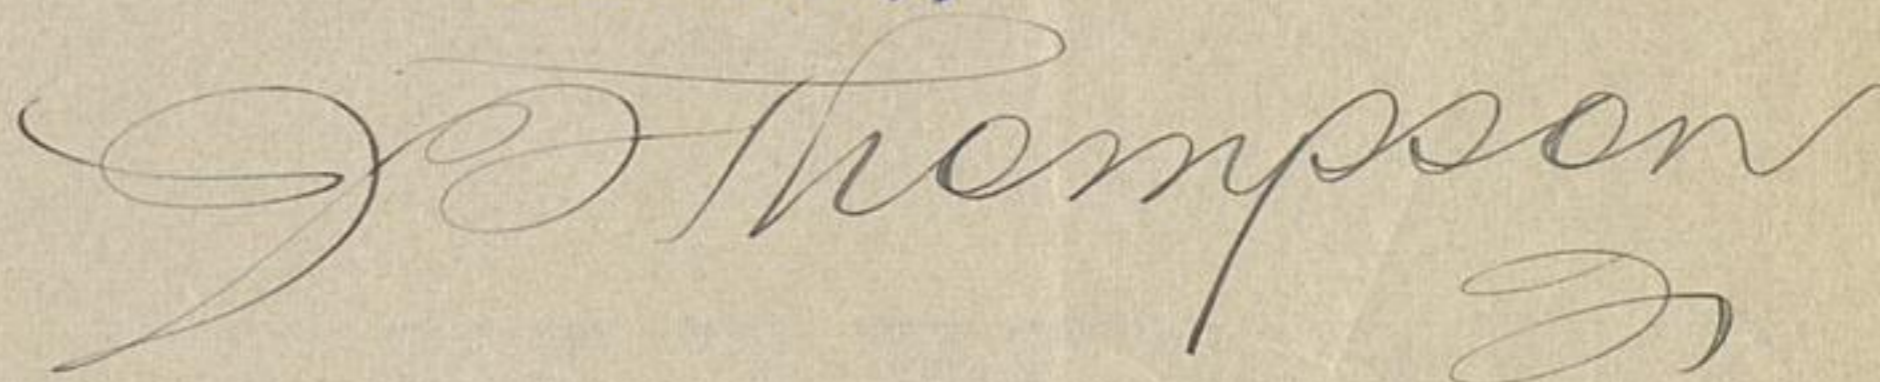

Messers E F Spears & Sons,

Paris, Ky

Gentlemen:

Beg to advise that, effective March 6th 1907, rate of 75cts per hundred lbs., will apply on hemp, carloads, from Paris, Ky., to California Terminals, when routed via E StLouis, Memphis or New Orleans. I trust that if you take advantage of this rate, that you will be kind enough to favor our line from Kansas City. This for your information.

Yours truly,
