

Minutes of the University Faculty, July 30, 1958

Prof. Olney is survived by his wife, Lydia, and two sons, Charles and Robert, both graduates of the University, the former in Engineering and the latter in Pre-Med.

It is recommended that these expressions of respect be made a part of the minutes of this body, and that a copy be sent to his family.

The Faculty adjourned.

Charles F. Elton
Charles F. Elton

Minutes of the University Faculty, October 13, 1958

The University Faculty met in regular session Monday, October 13, 1958 at 4:00 p.m., CDT in the Assembly Room of Lafferty Hall. President Dickey presided. Members absent were Harold R. Binkley*, A. J. Brown*, C. C. Carpenter*, Morris Cierley, Charles Elton*, Bernard Fitzgerald, Arthur Glasser, Wyatt M. Insko, L. E. Meece, Paul Oberst, O. Leonard Press*, Gilbert W. Schneider*, Frank J. Welch, Paul K. Whitaker, William R. Willard*, and Kenneth Wright.

Minutes of the special meeting of July 30, 1958, were read and approved.

President Dickey extended a welcome to all members of the Faculty and presented individually those newly elected and those elected to fill unexpired terms.

Dr. Card, Chairman of the Elections Committee, presented the report of the Faculty Committee on Elections and referred the Faculty to a report which had been circularized prior to the meeting.

President Frank G. Dickey
University of Kentucky

Dear President Dickey:

This is to certify the results of the current election of members of the University Faculty.

*Absence explained.

Minutes of the University Faculty, October 13, 1958

Persons with the largest number of votes are listed for three year terms ending in 1961, while those with the next highest number of votes are listed to fill vacancies caused by resignations and leaves of absence. Elected members are listed by their respective groups.

Literature, Philosophy and Arts

Five persons elected for three year terms expiring in 1961 are:

Robert J. Buck
Bernard Fitzgerald
Robert D. Jacobs
Niel L. Plummer
Paul K. Whitaker

Social Studies

The two persons elected for three year terms expiring in 1961 are:

Sidney J. Kaplan
Charles E. Snow

Herbert N. Drennon was elected to fill out the term of Gladys Kammerer, which expires in 1960.

John C. Ball and James A. Shear were elected to fill out the unexpired terms of C. Arnold Anderson and Howard W. Beers, which expires in 1959.

Biological Science

The three persons elected for three year terms expiring in 1961 are:

Louis L. Boyarsky
John M. Carpenter
Morris Scherago

Edward L. Newbury was elected to fill out the term of James S. Calvin, which expires in 1959.

Physical Science

The two persons elected for three year terms expiring in 1961 are:

Lee W. Gildart
Thomas G. Roberts

Minutes of the University Faculty, October 13, 1958

Agriculture

The four persons elected for three year terms expiring in 1961 are:

Don R. Jacobson
G. W. Schneider
Dewey G. Steele
G. T. Webster

A. J. Brown was elected to fill out the term of Drayton T. Kinard, which expires in 1960.

Home Economics

The person elected for a three year term expiring in 1961 is:

Helen Marshall

Engineering

The three persons elected for three year terms expiring in 1961 are:

D. K. Blythe
R. S. Mateer
C. B. Wooldridge

H. A. Romanowitz was elected to fill out the term of C. S. Crouse, which expires in 1959.

Law

The person elected for a three year term expiring in 1961 is:

Willburt D. Ham

Education

The two persons elected for three year terms expiring in 1961 are:

Harold Binkley
Carsie Hammonds

Commerce

The person elected for a three year term expiring in 1961 is:

Lucian H. Carter

Minutes of the University Faculty, October 13, 1958

When tabulating the election returns for the Commerce College I learned that Dr. H. W. Hargreaves is to be on leave this year. This leaves a vacancy in the University Faculty which was not provided for in the election. Would you be so kind as to appoint a member of the Commerce Faculty to serve during the year 1958-1959. Dr. Hargreaves' term expires in 1960. A list of eligible Commerce faculty members is attached. Virgil L. Christian, Jr. received the second highest number of votes in the election--four votes compared to eight for Mr. Carter.

Pharmacy

The person elected for a three year term expiring in 1961 is:

Harry A. Smith

Arthur C. Glasser was elected to fill out the term of Richard M. Doughty, which expires in 1959.

Medicine

No vacancy occurred in representatives for the College of Medicine so no election was held this year.

A supplementary statement which the Committee suggests for distribution to the University teaching staff is attached hereto. This is in line with paragraph three of your letter dated September 9th addressed to the Chairman of the University Faculty Committee.

We hope the above furnishes you with all information needed to fill the present vacancies in the University Faculty.

Sincerely yours,

Dana G. Card
Chairman of the Elections Committee

1. The Committee recommends that the official list of faculty members, prepared in the Secretary's Office, be sent to each member of the teaching staff. It would further recommend that persons elected to fill unexpired one or two-year terms be so designated on the list.
2. The University Governing Regulations provide that "the result of a tie (in the election) be determined by lot." The Committee suggests that this matter be studied to see if a more satisfactory method can be developed.
3. The Committee is pleased with the percentage of ballots returned in the election. Of the 376 ballots mailed, 320 were returned in signed envelopes. So 85% of the eligible voters sent in their ballots. Individual groups varied from 74% to 100%. Three unsigned envelopes were returned but were disregarded.

Minutes of the University Faculty, October 13, 1958

4. The number of Faculty representatives from each University group is set forth in the Governing Regulations of the University. The regulations state that "the Faculty may cause this distribution to be restudied and adjusted every six years." The Election Committee has no recommendation on this matter, but wishes to call it to the attention of the University Faculty. If a restudy of the distribution is desired, the files of the Committee include information on the number of Faculty members in each group and the number of people representing them. The ratio of one to the other differs somewhat in the various groups.

The Elections Committee:

Staley F. Adams	Helen M. Reed
Wendell E. Beals	J. E. Reeves
T. R. Bryant	Dorothy Salmon
J. M. Carpenter	Jonah W. D. Skiles
James C. Eaves	Dana G. Card, Chairman

Under Proposal 1 he recommended that the official list of University Faculty members, prepared in the Secretary's Office, be sent to each member of the University staff; and that those elected to fill unexpired terms be so designated on that list. This recommendation was approved by the Faculty.

Under Proposal 2, President Dickey asked the Elections Committee itself to study the rule in the University Governing Regulations which provides "that the result of a tie (in the election) be determined by lot" to determine if a more satisfactory method could be developed.

The President thanked the Elections Committee for its splendid work.

In the absence of Dean Carpenter, Professor Massie presented facts in the case of E. N. Hochberger, copies of which he distributed to the Faculty members present.

1. Hochberger was dropped for a second time from the University after the 1958 summer session.
2. He has 137 semester hours. (130 hours required in his curriculum for graduation)
3. His present over-all standing is 2.23.
4. He earned grades of A in all English courses. He was born in Czechoslovakia. He entered the U. S. A. in 1950 and entered U. K. in 1954 after two years service in the U. S. Army.
5. He suffered with a virus and fungus infection prior to the time he first was dropped from the University.

Minutes of the University Faculty, October 13, 1958

6. He needs only one course, Commerce 96a, to fulfill requirements for a B. S. degree.

Dr. Massie stated that the College of Commerce faculty had approved the recommendation of the College of Commerce to readmit Mr. Hochberger to the University and that he was requesting University Faculty approval. The readmission of Mr. E. N. Hochberger was approved by the Faculty and the Chairman directed that he be notified of his readmission through the joint effort of the University Registrar and the College of Commerce Dean.

Dean Spivey reported to the University Faculty that at the meeting of July 14, 1958 he had presented recommendations from the Graduate Council for approval of Economics 190, Introduction to Mathematical Economics, Economics 290, Mathematical Economics, and Economics 291, Econometrics - all three courses to be cross-listed as Agricultural Economics 190, 290, and 291. He stated that this cross-listing had been overlooked and had not been recorded in the course file in the Dean of Admission's office. At his request, the University Faculty noted approval of Agricultural Economics 190, 290, and 291.

Dean Spivey then presented a recommendation from the Graduate Council for approval of graduate credit for certain courses which had previously been approved by the Faculty for undergraduate credit.

- | | |
|----------------|--|
| Botany 129 | <u>Plant Cytology</u> (4)
The structure of plant cells, mitosis and meiosis. <u>Prerequisite</u> : 3 credits in the Biological Sciences. |
| Botany 151 | <u>Taxonomy of Vascular Plants</u> (4)
A study of the principles and practices of taxonomy and a detailed consideration of the families of vascular plants. <u>Prerequisites</u> : Botany 1, 2. |
| Psychology 105 | <u>Small Group Behavior</u> (3)
The course will systematically cover theoretical and empirical approaches to small groups. Attention will be given to certain group properties and how these properties have been manipulated experimentally. <u>Prerequisites</u> : One introductory course in Psychology, one introductory course in Sociology. |
| Music 131 | <u>Seventeenth and Eighteenth Centuries (Baroque Era)</u> (2)
A specialized study of music from Monteverdi through Bach and Handel, with emphasis on analysis and recognition of a selection of the most representative works of the period. <u>Prerequisite</u> : 2 semesters in the history of music (or in the case of exceptional students who are not music majors, Humanities E). |

Minutes of the University Faculty, October 13, 1958Music 132 Eighteenth and Nineteenth Centuries
(Classical and Romantic Eras) (2)

A specialized study of music from the roots of the Classical style through the late nineteenth century Romantic school, with emphasis on analysis and recognition of a selection of the most representative works of the period. Prerequisite: 2 semesters in the history of music (or in the case of exceptional students who are not music majors, Humanities E or its equivalent).

This recommendation was concurred in by the Faculty.

Professor Weaver, Chairman of the Rules Committee, submitted the proposed admission requirements for the College of Medicine, a portion of which he read to the Faculty, and all of which had been previously circularized.

Applicants for admission to the College of Medicine, in addition to meeting general University requirements, must meet the requirements of the College of Medicine and be accepted by the Medical College Admissions Committee. Applicants normally will be required to have completed a liberal arts degree program in an accredited college of arts and sciences. It is anticipated that successful applicants will have a college grade point average of 2.75 or higher. Consideration may be given to applicants who have completed only three years of college or to applicants from a non-liberal arts program or from a non-accredited college if their academic backgrounds and other credentials demonstrate superior ability. Applicants must be prepared with the following minimal requirements or their equivalent: two semesters of physics which includes laboratory work; two semesters in the biological sciences including laboratory work; two full year courses in chemistry with laboratory and including organic chemistry; and one year of English with emphasis on communicative skills.

THE COMMITTEE ON RULES:

Ralph H. Weaver, Chairman
W. E. Beals
Harold Binkley
W. M. Carter
C. B. Cone
Stephen Diachun
C. F. Elton
Sidney Kaplan
Richardson K. Noback
H. E. Spivey
M. M. White

Minutes of the University Faculty, October 13, 1958

A recommendation for approval of the proposed admission requirements of the College of Medicine, already approved by the Rules Committee, was made, and the Faculty concurred in the recommendation.

Dr. Trimble, Chairman of the Committee on Committees, called the attention of the Faculty to the publication of the Faculty Committees in the General Catalog, published in May each year, and to the fact that this membership listing was outdated shortly after its publication. On behalf of the Committee on Committees he recommended that the present members of all Faculty Committees serve until the January meeting of the University Faculty, with half of the new members at that time being appointed for one year terms; the remaining half for two years; and thereafter that all new members serve for two years. This recommendation was concurred in by the Faculty.

As Chairman of the Committee on Committees, Dr. Trimble recommended that the University Faculty authorize the Committee on Committees to appoint a committee to review the composition and role of the University Faculty and to make any recommendations it thinks wise. The Faculty approved this recommendation.

Professor Trimble presented the following recommendation by the Committee on Committees for the approval of the Faculty:

"that the present Administrative Committee on Social Program and the present Faculty Committee on Student Organizations be combined to form a Faculty Committee on Student Organizations and Social Activities. The function of said Committee shall be to formulate policy governing student organizations and the social activities of students and make recommendations regarding new organizations. The Dean of Men and the Dean of Women shall be members of the Faculty Committee and shall be responsible to the Committee for carrying out such policy."

In planning the social program in harmony with the policies determined by this committee, it is recommended that the Dean of Men and Dean of Women invite the Social Chairman and representatives from appropriate student organizations to sit with them.

An amendment to the last sentence of the first paragraph was presented by Dean Spivey and approved by the Faculty as follows:

The Dean of Men and the Dean of Women and the approved student representative on the University Faculty shall be members of the Faculty Committee and shall be responsible to the Committee for carrying out such policy.

The original recommendation of the Committee on Committees, as amended, was then approved by the University Faculty.

Minutes of the University Faculty, October 13, 1958

Dr. Gladden, Chairman of the Committee on Student Organizations, presented three proposals which had been previously circularized, and recommended their approval. The three proposals presented by Dr. Gladden were approved by the Faculty.

1. The Committee has reviewed a petition from the Delta Colony to affiliate with and receive a charter as a chapter of the Phi Gamma Delta National Fraternity, and to have approval of the Faculty to be a permanent student organization with all privileges of authorized fraternities at the University. During its trial period, the Delta Colony has proved itself acceptable to the Interfraternity Council and has been approved by that body for regular fraternity status. The Colony has enrolled twenty-five members who are eligible for initiation and has gained twelve pledges during the fall rush. In the past semester the group earned an over-all academic average of 2.5, which was in second place among the twenty fraternities. Its over-all academic average for the full year was 2.21, which was at the all-men's average.

The local Alumni Corporation has provided the group with a satisfactory house, at no investment expense to the members, and has given them every support in their activities. The group has achieved stability in scholarship, finances, and housing, which should make it a worthy addition to the fraternities at the University. The Committee on Student Organizations has reviewed the Constitution and By-Laws of Phi Gamma Delta and has found them to be consistent with present faculty policies regarding purposes, membership requirements and financial obligations of student organizations. The Committee respectfully recommends that Delta Colony be approved as a regular student organization, and further, that it be approved as a charter chapter of Phi Gamma Delta National Fraternity.

2. The Interfaith Council has petitioned for status as a regular student organization. For several years it has been a volunteer group, working with the University YMCA and YWCA in promoting student religious groups on campus, and participating in such activities as Religion in Life Week, Religious Night and Interfaith Breakfast of Welcome Week, and World University Service. It is the feeling of the petitioners that the work of this group can become more effective in promoting and strengthening University religious groups, if formally recognized and approved by the Faculty. If approved, the Interfaith Council will be composed of representatives of the University YMCA and YWCA and of all student religious groups. The Committee on Student Organizations has reviewed this proposal with the Constitution and By-Laws, and has found them to be consistent with faculty policies. In the belief that the Interfaith Council can better serve the spiritual needs of students through formal organization, the Committee respectfully recommends approval of this petition.

Minutes of the University Faculty, October 13, 1958

3. The Committee on Student Organizations has been requested by the Dean of Men to review the status of the Alpha Sigma Phi social fraternity, because of the fraternity's failure to meet the faculty academic requirements for three semesters. The Committee has appointed a sub-committee of three of its members - Dean Stanley Wall, Dr. Charles Walton and Professor Staley Adams - three members of the fraternity and two representatives of the Interfraternity Council to work with the Dean of Men and the fraternity during the current semester and to make a formal recommendation to the Faculty at the end of this period. Consistent with faculty policy, the fraternity has been denied all rush, pledging and social privileges in order that it may devote its full resources to its problems of organization and scholarship. The Committee on Student Organizations respectfully requests approval of this action, and welcomes the advice of the Faculty in this effort.

Respectfully,

S. F. Adams
 Jesse DeBoer
 Ernest McDaniel
 L. L. Martin
 Mrs. Jessie Ringo
 Doris Seward
 Stanley Wall
 Charles A. Walton
 James Gladden, Chairman

Faculty adjourned at 5:00 p.m., CDT.
