### THE TORCH IS PASSED

I have assumed editorial responsibility for the Green Bean from Nancy Baker. My job is going to be somewhat complicated because of my physical distance from most of you. For this reason I have changed the Green Bean deadlines. I will guarantee any article received by me at Agriculture Library by Tuesday afternoon at 2 p.m. to be in the Friday issue of the Green Bean. I will accept material up to Wednesday afternoon at 3 p.m. but I cannot guarantee it will be in the issue. Every effort will be made to include dated announcements. If you want the material picked up it must be to Pam Fields in the Director's Office by 10:30 a.m. Tuesday morning. This arrangement should give me enough time to put the newsletter together and get it back to King for production.
