# The President's Tax Program

## An Analysis of a Transparent Political Gesture

"Taxes are paid in the sweat of every man who labors because they are a burden on production and can be paid only by production. If excessive, they are reflected in idle factories, tax-sold farms, and, hence, in hordes of the hungry tramping the streets and seeking jobs in vain. Our workers may never see a tax bill, but they pay in deductions from wages, in increased cost of what they buy, or (as now) in broad cessation of employment. . . . our people and our business cannot carry its excessive burdens of taxation."—*Franklin D. Roosevelt, Forbes Field, Pittsburgh, October 19, 1932.*
