ABOUT THE LIBRARIES

LSO NEWS

The Library Staff Organization is planning to issue the supplement to the Kentucky Sampler and a 2d edition of the cookbook if there is enough interest. Plans are being formulated to have the new edition spiral bound. Inquiries are being made as to whether it will be feasible to have the old edition spiral bound for those who wish to do so. This would be done for the cost of the binding only. Please let me know if you are interested in:

1. A new edition to the Kentucky Sampler
2. Having the old edition of your Kentucky Sampler rebound
3. The supplement to the Kentucky Sampler

Toni Powell, LSO President

REMINDER: March is LSO membership month. Have you paid your dues? If you haven't, send them along to Sandra Muenks or your LSO representative.

LSO REPRESENTATIVES: Because of the size of the department, two additional representatives have been added for Acquisitions/Periodicals/Newspapers/Microtext. Marvis Anderson will be the representative from Newspaper and Microtext in King North and Lil Blackburn will cover the microfilming center. Thank you ladies.

WANTED: Two volunteers to help maintain the staff lounge in King South (when it's finished). If interested see Andrea Bryant in Business and Economics Information Center.

NEWCOMER'S RECEPTION: The Library Staff Organization invites all staff members to meet our newest staff members. The reception will be held in the Solarium (Special Collections Department) on Tuesday March 18th at 3:00 pm. Come on down and chat awhile. Refreshments will be served.

STAFF LOUNGE RULES

The Staff Lounge in Margaret I. King Library North is for the use of the employees of the University of Kentucky System. In order to keep it pleasant for all staff members we ask that you observe the following courtesies:

1. Please dispose of food properly. All food not consumed should be removed from the refrigerator before it spoils. Soup should not be washed down the sink as it blocks the plumbing.
2. Please be sure the refrigerator door is completely closed. Not only will food spoil but it wastes our precious energy.
3. Please clean up after yourself. All dishes should be washed and all food wrappers thrown in the trash.
4. We would prefer that food be confined to the tiled area but if you do eat in the carpeted area, please be careful and clean up after eating. It is difficult to have the furniture cleaned.

Ideally, there is no need for a staff lounge committee because everyone looks after themselves. Realistically this is not true. In order to keep the staff lounge pleasant for everyone the staff lounge committee is going to do the following.

Beginning March 20th, all perishable food left in the staff lounge will be thrown away. All dirty dishes found in the lounge will be disposed of. This will be done at 3 o'clock Friday afternoon, there will be no exceptions. Dishes and utensils will no longer be provided in the staff lounge. You will have to bring your own implements. LSO will provide dish detergent, salt, and pepper.

PLEASE NOTE: THE STAFF LOUNGE COMMITTEE WILL BE CLEANING THE APPLIANCES IN THE STAFF LOUNGE ON THURSDAY AFTERNOON, MARCH 20TH. IF ALL THE RULES ARE OBSERVED WE SHOULD BE ABLE TO MAKE IT A PLEASANT PLACE FOR EVERYONE.

LSO Staff Lounge Committee

COME ONE, COME ALL! FIRST BIG TOUR SINCE THE MOVE!

Need to be more familiar with King Library? The ACTS Education Committee is sponsoring the first tour of King since the big move. The tour will be on Tuesday March 18 at 1:30 PM. The tour will include the Stacks, Reference, Circulation, Periodicals, etc. We extend a special welcome to the people in Branch Libraries. Needless to say, both Professional and Support Staff are welcome. At 3:00 PM (immediately following the tour) be sure to come to the reception for Newcomers (anyone who has joined our staff since September 1st) in Special Collections Solarium. Refreshments will be served.

EMERGENCY MEDICAL WORKSHOP

The Staff Development Committee is sponsoring an Emergency Medical Workshop on March 26 in the Staff Lounge, King North. There will be two sessions, one from 9:00-11:00 AM and one from 1:30-3:30 PM.

Alberta Cramer, from Health, Physical Education and Recreation, will present a program which will help in dealing effectively with the more common emergency situations.

Because the program involves audience participation, Ms. Cramer suggests we would be more comfortable wearing jeans or slacks. If you like you may bring a towel to lie on.

LACUNY NATIONAL WORKSHOP ON LIBRARY INSTRUCTION

"Programs and Packages" will be held June 27-28 in New York at Baruch College immediately before the American Library Association Conference. The fee is \$15.00 and application deadline is May 15, 1980. For further information write Lina Lowry, Box 317, Baruch College, 17 Lexington Avenue, New York, N.Y. 10010.

A STANFORD UNIVERSITY LIBRARIES CONFERENCE

"Disasters: Prevention & Coping" will be the topic at this May 21-22 conference. Speakers will be J. Michael Bruer, Hilda Bohem and Peter Waters. A report on the Stanford flood project will be made. Registration is limited to 135. Fee is \$50. For further information write: Sally Buchanan, Green Library, Stanford, Calif. 94305.

"MAKE THE EIGHTIES EXCITING - VOLUNTEER AND WIN"

This is the title of the Third Annual Governor's Conference on Volunteerism. It is being held at the Galt House, Louisville, Kentucky, April 21-22, 1980. Full registration fee for both days is \$30.00 and includes two luncheons, one banquet, a reception and materials. Pre-registration deadline is April 11, 1980. For further information write: Governor's Office of Volunteer Services Conference, 903 Collins Lane, Suite 7, Frankfort, Kentucky 40601.

STATISTICAL METHODS FOR PROFESSIONAL LIBRARIANS

A workshop to be held in Nashville, Tennessee, March 24-27. Registration fee \$185. Inquiries go to: R. Wilburn Clouse, Dept. of Library Science, Box 501, George Peabody College for Teachers, Vanderbilt University, Nashville, Tennessee 37203.

U.S. Office of Personnel Management - Register now, cost from \$110 to \$200, courses start April, May and June: Effective English Workshop; Basic Management Analysis; Seminar for Executive Secretaries; Advanced EEO Counseling; ADP for Administrative; Clerical, and Secretarial Personnel; Freedom of Information and Privacy Acts (briefing); Time Management for Secretaries; Listening and Memory Development: Understanding and Managing Human Behavior; Report Writing.

For additional information about the above training... Please call the Employee Development Center 7-1851 or come in and see us in Room 15, Memorial Hall.

SPRING IS ONLY ONE WEEK AWAY!

A new (to us, anyway) twist on the "shell game" is the use of egg shells as seed starters. Remove the top 1/3 of egg shells and save them in the cartons. Fill with a mixture of soil and vermiculite, plant seeds and dampen the soil. Cover with plastic till germinated and thin to one seedling per shell. Let this plant grow until it has two true leaves before transplanting in the garden. Then crush the bottom of the shell and plant shell and all. The shell even adds a little calcium to fertilize your soil.

OPPORTUNITIES FOR PROFESSIONAL EMPLOYMENT

Reference and Instruction Librarian, Stanford University. Salary \$16,500-\$19,500. Application deadline: May 1, 1980.

*Books have advantages over all other existing media. They can be read at the reader's choice of time and at the reader's pace. They can be interrupted and taken up again. They can be transported easily, any place. They do not blow fuses, wear out, or require maintenance or adjustment. They contain an author's work in the purest form. But perhaps most important, books exist on an economic base that owes nothing so far to advertising or other outside forces that influence virtually every other area of communication, whether in fiction or nonfiction. I believe that books in our society stand as our last free means of communication.*

—Julian P. Muller
