**Current Exhibits:** Gallery - Department of Special Collections - "with Photographs from Nature." - exhibition of photographically illustrated books from the collections of the University of Louisville and the Photographic Archives, Special Collections, University of Kentucky, June 19 - July 28.

**Contributors to this issue:** Pat Boyle, Faith Harders, Sara Leech, Claire McCann (Editor), Linda Newman, and Bob Turner.

## ABOUT THE LIBRARIES

### Workshop and Tour of Reference Department

The Education Committee of ACTS is sponsoring a workshop and tour in the Reference Department on Wednesday morning, July 26th, at 10:00, and on Thursday afternoon, July 27th, at 2:00. After both tours, there will be a session for those interested in working through some sample reference questions. The tour and instruction will last about one hour; an exercise that can be completed at any time will be distributed. Other exercises will be given during the following weeks for those who want to complete them.

This is an activity designed with the technical and clerical staff in mind, but interested professional staff are also invited to attend. To sign up, call or write the Reference Department, MIK South, 257-1631 or 257-1632.

## LAST CALL FOR LIBRARIANS TOUR OF GREAT BRITAIN

There is still time to join KLA's Special Libraries Section tour of England, Scotland and Wales, scheduled for October 7-21, 1978. The British Airways jet will depart from and return to Louisville. All staff members of the University of Kentucky Libraries are invited, as well as their spouses and friends. The August 1 date for the initial deposit of \$150.00 is quickly approaching, so call Vivian Hall at 8-5730 soon to let her know if you are interested. Total cost of the tour is \$1,350.00 and the features it includes make it compare very favorably to other tours. We hope many of you will join us. Vivian can give you the details.

## STEAM DISTRIBUTION SYSTEM TO BE REPAIRED

The Steam Distribution System will be shut down for annual repairs August 10-24 for the following buildings:

- Anderson Hall & Engineering Quadrangle
- Bowman Hall
- Chemistry-Physics Building
- Commerce Building
- Dickey Hall
- Fine Arts Building
- Law Building
- King Library - North & South
- Patterson Office Tower
- Pence Hall
- T. H. Morgan Building

Agriculture Science #1 will be without steam August 10-August 16.
