"WITH THE COLORS"

Hello Mother;

March 2, 1919

Well I am feeling fine today as I had a real time last night I went up to the nation of league to dance and I danced my head off. All the girls dance down here to the music for they and waltz. They have a lot of dancing. You see you can stay any way on the floor and the boys like to dance with the girls. I was so tired last night as I haven't danced only about twice since I left home but believe me after I got started I would dance. I will be in a days all by myself when I get home if I dance like I did last night. We had a big fried meat yesterday and we had a lot of fun out of that. I also went down to the W. W. C. the other day and had a good time. It sure was great as I enjoyed it very much. I show a few photos that were in the office and hall in the other day
