ABOUT THE LIBRARIES

UK Librarians Elected at KLA:

The following were chosen as officers for 1976/77: Vivian Hall, president; Omer Hamlin, Chairman, College and Research Section; Sara Leech, Chairman, Special Libraries Section; Mary Evelyn Minter, Secretary, College and Research Section and president-elect of SLA, Kentucky Chapter; Rebekah Harleston, Chairman, Government Documents Round Table.

KY Union List on fiche:

The Reference Department in King has a new tool for locating serials. The Kentucky Union List of Serials prepared by the University of Louisville is on microfiche at the desk. It gives the publication history of items listed and the holdings of most Kentucky libraries. UK branch libraries are distinguished from King by different symbols. The department also has a computer print-out from the Kentucky Union List of UK holdings. (These lists do not include our call numbers). Needless to say the Reference staff will be happy to check the Union list for branch libraries.

Law Statistics:

According to statistics recently compiled by UK law librarians, the University of Kentucky Law Library ranks 8th in the southeast with 139,000 volumes. First in the ranking is University of Virginia (232,000), followed by University of Georgia, Louisiana State University, Duke University, University of Miami, University of North Carolina, and University of Florida. Among other comparable schools, Vanderbilt ranks 13th, University of Tennessee 16th, and University of Louisville 22nd.

King Library Press Board meets:

The Editorial Board of the King Library Press recently approved the 1976/77 publication schedule. A total of six titles are due for publication, and two additional titles were approved for future publication. Members of this year's board include: Jacqueline Bull, Robert Cazden (Library Science), Bill Marshall, and Gay Reading.

The Board also discussed two non-publishing ventures for the coming year: the King Library Press Seminar in Graphic Design featuring Hermann Zapf (to be hosted this week), and a Press-sponsored hand printing competition for the southeast in the spring.

KATS Calls:

Please ensure that all long distance calls made from Library telephones are made by using the Kentucky Automatic Telephone System (KATS) Network. There should be no reason to make person-to-person or station-to-station calls. A second call using the KATS Network is cheaper than any operator-handled call. In fact, KATS calls average almost 24¢ a minute less in cost than

calls placed through an operator. If possible it is best to place calls early in the morning or later in the afternoon to take advantage of reduced rates. Also be prepared to account for calls charged to your phone when Administrative Services sends around the monthly statements for verification.

RECITAL SLATED:

The American Harp Society & Lexington Chapter will present James Pinkerton, Harpist in recital at the Church of the Good Shepherd on Sunday October 24 at 3:00. Mr. Pinkerton will perform works by Kreneck, Fauré, Rota and Salzedo.

PERSONNEL

University Personnel will offer two sections of the Supervisory Management course--one will be Oct. 26, 27, 28 Nov. 3 & 4 from 1-5; the second one will be Dec. 6-10 from 1-5.

There will also be two sessions on Interviewing and Selecting Employees; the first one is Nov. 10, 12, 17, 19, 24 from 9-11 a.m. and the second one is Nov. 9, 11, 16, 18, 23 from 2-4 p.m.

To enroll, call Employee Training and Development 7-1851.

DEA files:

As a part of the evaluation process, it is necessary for each faculty member to have a current Distribution of Effort Agreement on file. Any one who feels that his/her duties have changed substantially since last spring when we completed this process should file an updated Agreement; forms can be obtained from Faith Harders.
