The Council will pay the salary and benefits for each individual accepted.

Information on making application for the 1980/81 program is available from Faith Harders.

A sign on the wall of the North Dakota State University Library: "Due to the reorganization, the basement will be on the second floor. Half of the second floor will be on the first floor, but half will remain on the second. First floor will move to the basement. We suggest you ask for help."

Gary Stottlemeyer found this gem in a Readers Digest. Does it remind you of anything?
