Dr. Fred W. Rankin
271 W. Short St.
Lexington, Kentucky

Dear Fred:

I learned last evening of your election to the Presidency of the American Medical Association and I want to congratulate you. This is indeed an honor and one which you richly deserve.

I am sorry that I was unable to be in Cleveland this year which may have given me an opportunity to have had a visit with you. I hope before long we will see you in Rochester.

With kindest regards to you and your family, I am

Sincerely,

FAW:ME
