

LEXINGTON CLINIC  
190 N. UPPER STREET  
LEXINGTON, KY.

MEDICAL SECTION

Dear Fred:

I just heard the news  
this morning of your election  
as President-Elect of the American  
Medical Association. I want to  
add my congratulations to the  
hundreds of others that I know  
you have received. It is certainly  
the greatest honor that an American  
doctor can receive and all the  
more so in your case since  
Kentucky so recently had a  
president.

With all good wishes

Sincerely yours

Ernest Bradley
