SUMMER SESSION  
OFFICE OF THE DIRECTOR

Dr. Fred Rankin  
410 Security Trust Building  
Lexington, Kentucky

My dear Dr. Rankin:

I was pleased to read in the Courier-Journal of the fine recognition that has come to you in being elected president of the American Medical Association. This is an honor you well deserve and I know you will do outstanding work as its president.

I think, in fact, that the Association is to be congratulated in their choice, because I can well imagine that there is some hard work connected with the position.

Cordially yours,

*Jesse E. Adams*
