Dr. Fred W. Rankin,
Security Trust Building,
Lexington, Ky.,

Dear Doctor Rankin:

It was with great pleasure that I noted in today's papers your election as President of the American Medical Association. I congratulate you upon being so elected.

I feel that I am one of many, who actually knows of your ability, and further knows that the House of Delegates were most wise in their selection.

Mrs. Edwards joins me in wishing you every success.

Yours very truly.

"Moco" Edwards.
