SECRETARY AND TREASURER
H. J. HARWICK

Dear Fred:

Just a note to congratulate you on your election to the presidency of the American Medical Association. You have long taken an active part in the affairs of the Association and at the same time have constantly advanced your standing in Surgery so it seems to me this now comes as a well-merited recognition, and particularly pleasing because it was unanimous.

Your many friends here and I are happy that it has happened.

Cordially
