Dr. Fred W. Rankin
Lexington, Kentucky

Dear Doctor Rankin:

I was very pleased to hear of the honor bestowed on you at Cleveland. I wish to congratulate you, as well as the A.M.A. on their selection.

I have not reported to you on my condition because I did not want to pester you. I am entirely well; feel good, and working hard as ever - thanks to your good work.

I would be very happy to see you out in Denver some time.

With kindest regards from Mrs. Bundsen, I remain

Yours most sincerely,
