Dear Fred -

I am delighted that the Medical Assn had such good judgment in electing this new president. You know how pleased I am over this special honor you have received.

The other day a caddy said to me - "Dr. Miles are you the kind of doctor that cuts people open or gives them medicine?" I tried to explain that my approach was from a different angle. You & I have complementary jobs.

May God bless you with many more years of distinguished service. With warm personal regards -

Sincerely

Rob Miles
