Dr. Fred W. Raukin,
Lexington, Ky.

Dear Doctor Raukin:-

Permit me to
extend to you my heartiest
congratulations on your recent
selection as President-elect of the
American Medical Association.

We in Kentucky are quite proud
to claim you as one of the most
distinguished representatives of
our medical profession, but you
have already, for many years,
belonged to the Country at large
and we have, also, had much
pride in that. We are now delighted
that you have been paid the
compliment which, through your
wide acquaintance and outstanding
professional accomplishments, is
so richly deserved. With all good wishes,
I am very cordially yours,
W. E. Gardner
