Dear Dr. Rankin:

This is a short note to tell you how glad I am to learn you have been made president elect of the American Medical Association. It seems to me the association is fortunate to have you succeed Dr. Lacey.

It looks like I may get a position as ^{an} associate in a Los Angeles Clinic however that is not certain.

I hope I shall again have the chance to see you operate in the summer before I locate somewhere.

Sincerely yours,

Harrison Simrall.
