

HENRY J. WALTON, M. D.  
MEDICAL ARTS BUILDING  
READ AND CATHEDRAL STS.  
BALTIMORE, MD.

July 1, 1941

Dr. Fred W. Raubert

Dear Freddie,

I thought I would postpone my congratulatory message to you, until after the avalanche of mail you doubtless have been receiving had somewhat subsided.

This in no way minimizes the pleasure I felt when I heard of this very great honor you had received, and which you so well deserve.

My very best wishes go to you, for your continued health and happiness, and even greater honors.

Sincerely,  
Henry J. Walton
