LOS ANGELES

December the Fifteenth
Nineteen Forty-Two

Brigadier General Fred W. Rankin
Surgeon General's Office
Washington, D. C.

Dear Fred:

While in Washington, I telephoned your office to say hello but found that you had just left for the coast. I also learned that you had been advanced in rank to Brigadier General. Allow me to congratulate you. I know you deserve it, and more too.

Mrs. Toland and I both send our Christmas Greetings to both you and Edith.

Sincerely,

C
