

LEXINGTON CLINIC
190 N. UPPER STREET
LEXINGTON, KY.

SURGICAL SECTION

December 18, 1942

Dear Fred,

Just to felicitate you on your promotion!

Heard on a bus - "Don't you know Dr. McGinnis?
No, who is he? Oh, he is here taking over Dr. Rankin's
practice".

Memorandum - Abraham Lincoln said he could
make a Brigadier in five minutes but a good horse
costs \$150.00.

Yours sincerely,

Walter D. Bullock
