Lexington, Ky

Dear Fred:

I just returned from the meeting of the American Thoracic Surgeons. As I was unable, on account of posted operations, to go to the American Surgical, I did not hear of your election as President of the American Surgical until I talked with Dan Elkins on Tuesday.

I want to congratulate you on this high and well deserved honor.

I hope you and Edith are well. Frances joins me in sending our best wishes to both of you.

Cordially yours,

William F. Rienhoff, Jr.

P.S. You never sent me that photograph.
