Dear Doctor Rankin:

Many thanks for your recent note.

Needless to say, I am delighted and greatly honored to be a member of the American Surgical Association.

I would like to take this opportunity to mention that I have been grateful and appreciative of the surgical training I received as your assistant, and as the years have gone by I have recalled on numerous occasions many things of value I learned while working with you. Not only was that association most profitable but also pleasant.

Again many thanks, and with best wishes, I am

Sincerely yours,

James T. Priestley, M.D.
