

To Dr. Loyal Davis.

10 October 1953.

---

Dear Dr. Rankin,

I must send you a brief note to tell you how greatly I appreciate the honour done me by your College in making me an Honorary Fellow, and how happy I am that I should have received that honour at your hands. It was a most impressive ceremony & I only hope it did not tire you too much — it certainly did not appear to do so, & we all admired your address & the way you gave it & conducted the whole ceremony.
