My Dear Fred -
Am you back! Am you Sabi: Am
you all right, I like so with all my
heart, that I wish you was in college -
as for myself - I have just had another
little two day sojourn in the hospital.
Lost (effort) 287⁰⁰. Curses! How
can we stand it, the reason of this
sojourn - Ed Ray had claimed that the
"divotienlati" is just my edon - The
cause of this he has told me - The sequence
of this - She has now deprived me of
corn bread - pot + greens - Raspberries.
Strawberries et al - Am coming to get
relief thru you -
Well
