HIFNER AND FORTUNE
LEXINGTON, KY.

Dear Fred,

I read the notice of your election as President-elect of the American Medical Association with a sense of such pride and delight that I almost felt as if the Frontier Nursing Service had had something to do with it.

Really, those old boys do know a good thing when they see it. The Association has honored itself a thousand times over.

Good luck, and affectionate regards, from

Yours sincerely,

Mary Breckinridge
