

July 8, 1940.

Mr. Robert Humphreys, Chairman,
Democratic State Headquarters,
Capital Hotel,
Frankfort, Kentucky.

Dear Mr. Humphreys:

I am in receipt of your letter of July 5th relative to the matter the three negroes, John T. Gordon, J. E. Mason and Herron A. Clark of 226 West Walnut Street, Louisville, have been writing Senator Chandler about.

I called John Gordon in this morning to find out what they want and he tells me they are trying to get their expenses paid to the National Colored Convention in Chicago, July 12th, 13th and 14th. I told him it was impossible for Senator Chandler or anyone else to do this so therefore, just disregard the matter. I am sending a copy of this letter to Senator Chandler.

With best regards, I am

Sincerely yours,

John F. Dugan,
OFFICE MANAGER.

He asked me to get in touch with them and find out what they want and see if it should be given consideration.

Won't you please have one of your people get in touch with these negroes and write me or Happy what it is about?

Thanking you for attending to this matter,

ALL MESSAGES TAKEN BY THIS COMPANY ARE SUBJECT TO THE FOLLOWING TERMS:

To guard against mistakes or delays, the sender of a message should order it repeated, that is, telegraphed back to the originating office for comparison. For this, one-half the unrepeat message rate is charged in addition. Unless otherwise indicated on its face, this is an unrepeat message and paid for as such, in consideration whereof it is agreed between the sender of the message and this Company as follows:

1. The Company shall not be liable for mistakes or delays in the transmission or delivery, or for non-delivery, of any message received for transmission at the unrepeat-message rate beyond the sum of five hundred dollars; nor for mistakes or delays in the transmission or delivery, or for non-delivery, of any message received for transmission at the repeat-message rate beyond the sum of five thousand dollars, unless specially valued; nor in any case for delays arising from unavoidable interruption in the working of its lines; nor for errors in cipher or obscure messages.
2. In any event the Company shall not be liable for damages for mistakes or delays in the transmission or delivery, or for the non-delivery, of any message, whether caused by the negligence of its servants or otherwise, beyond the actual loss, not exceeding in any event the sum of five thousand dollars, at which amount the sender of each message represents that the message is valued, unless a greater value is stated in writing by the sender thereof at the time the message is tendered for transmission, and unless the repeated-message rate is paid or agreed to be paid, and an additional charge equal to one-tenth of one per cent of the amount by which such valuation shall exceed five thousand dollars.
3. The Company is hereby made the agent of the sender, without liability, to forward this message over the lines of any other company when necessary to reach its destination.
4. Domestic messages and incoming cable messages will be delivered free within one-half mile of the Company's office in towns of 5,000 population or less, and within one mile of such office in other cities or towns. Beyond these limits the Company does not undertake to make delivery, but will, without liability, at the sender's request, as his agent and at his expense, endeavor to contract for him for such delivery at a reasonable price.
5. No responsibility attaches to this Company concerning messages until the same are accepted at one of its transmitting offices; and if a message is sent to such office by one of the Company's messengers, he acts for that purpose as the agent of the sender.
6. The Company will not be liable for damages or statutory penalties in any case where the claim is not presented in writing to the Company within sixty days after the message is filed with the Company for transmission; provided, however, that this condition shall not apply to claims for damages or overcharges within the purview of Section 415 of the Communications Act of 1934.
7. It is agreed that in any action by the Company to recover the tolls for any message or messages the prompt and correct transmission and delivery thereof shall be presumed, subject to rebuttal by competent evidence.
8. Special terms governing the transmission of messages according to their classes, as enumerated below, shall apply to messages in each of such respective classes in addition to all the foregoing terms.
9. No employee of the Company is authorized to vary the foregoing.

This letter will be handed to you by Mr. Henry Seiler who resides at 526 East Ormsby. He formerly was a Democratic Councilman representing the Fourth Ward and he worked at the Louisville Water Company at the same time I did which was several years ago. He has always been a very ardent, hardworking and conscientious Democratic worker, especially among the Germans in his district. This may not be generally known to the headquarters but I know it to be a fact. He is a very valuable man to us. He has talked to you and to Mr. Gerber and Judge Mix and I have talked to Mayor Wyatt with reference to getting him a job at the Louisville Water Co., but so far he has not been able to accomplish much. Please keep this in mind and see if it is not possible for you to secure employment for him with the Water Company. If you do so it will be greatly appreciated by Judge Mix and myself. You can call Judge Mix for conformation of this letter if you desire to do so.

I will see you soon.

Yours very respectfully,

The Honorable Wilson W. Wyatt
3300 Lowell Lane, N. W.
Washington, D. C.

Dear Wilson:

I received yours and Ann's applications for absentee ballots this morning. I have filled in your local precinct for you, which is the 11th precinct of the third ward.

I am now on my way to the County Clerk's office with these applications and I trust you will receive your ballot at once. We are having a little rough trip in this election. However, I believe Emmet's position is much stronger than Brown's but I would imagine that if Labor should rally to John Young's cause at once, we might succeed in saving him in this district. You realize of course, that this is just a matter of conjecture on my part and I sincerely hope they both come through with flying colors.

We have gotten our poll books complete, here in the office, and paraphernalia will be wrapped to-morrow, Friday, and will be distributed Sunday - about 9 days prior to the General Election and certainly gives our workers ample opportunity to beat the bushes.

If you and Ann come home for the Election I hope to have the opportunity of seeing you and discussing old times.

With kindest personal regards and best wishes,

Sincerely,

JOHN F. DUGAN.

Dear John:

Anne and I had planned on coming home for election day but due to a meeting called here in Washington by the American Legion of their Housing Committee for the 4th, 5th, 6th and 7th I am afraid that I will not be able to get away. We have, therefore, filled out requests for absentee ballots and will appreciate it tremendously if you will get the ballots for us and send them up in plenty of time so that we may be sure to have our votes in.

If it is necessary to fill in the precinct and ward number will you please do this for each of us? You will notice that we are registered from the residence of my mother and father at 1314 Morton Avenue since we sold our house on Valley Road in January. Both of us voted from 1314 Morton Avenue in the primary but since this was the first time I have voted from this precinct I do not recall the number.

I certainly hope that everything goes well on election day. If I have any luck and can avoid the American Legion Housing Committee meeting, Anne and I will come down to cast our votes in person.

With very cordial personal regards,

Sincerely,
