October 1937

"Have you any good Christian
books?" I was asked by a very foot
bellied woman. "I'm always glad
to read about our Lord. But
that's the only kind I do read."

Mr. Gilbert seeing 3 boys pass by
Dearbins ("he'd never been able to get
them over the threshold") I reckon
you folks dont like the library around
here & we'll be closing it up." The
boys made no answer, continued
on down the road, but that afternoon
21 books & maps went out

One little boy was in the habit of taking out books for his mother - did so every few days; then he stopped. When asked what was matter with mother's reading: "Pa says not to send any more books to Maw - she dont do nothing all day long but read."

I'd been discussing magazines like "True Confessions", etc. Pleasant motherly woman came up smiling, "Well, Mrs. Degan, where is that library. Maby if I had some good books I wouldn't read them magazines. I can read while I churn & I get hungry for readin' as I do for food. My father didn't approve of novels, & so you can imagine how I felt when I got "Tempest & Sunshine". Whew Paw called me to get breakfast. I hadn't been asleep all night."

Dear Frank

I wish you and the gang would come down next Sunday and I will get Jimmie car and we will go to town and go to the pitcher show.

Jimmie said I could have her car any time I wanted it.

Jimmie said if I could not get you boys to go with me I could get my girl and take her to the pitcher show.

Kacy Jones said he broke a paddle off of her bike and could not ride it and he came down to my house and he rode my bike and he liked to frame.

I am getting along fine in school and I hope you are to and I hope I get to go to Arthem next year.

Annal Blair is getting up a Issure Shelby Boat club and we get to have some rosters and go to the shows and have a good time.

Dear Mr. Mc Connell:

How are you this fine day I sure hope you are all right. I am not feeling so well myself.

Well how are you getting along finding a scout master, I sure hope you find a scout master for I know it is a wonderful club, most all the boys want it.

I asked my mother and she has not made up her mind, but I think she will let me be a scout.

Harold peather is the one who is most interested in being a scout, he is talking about it most all time.

Are you going hunting on Thanksgiving I think I will, if my brother will lend me a gun. If you do I wish you good luck.

Very Truly yours
Floyd Kelly

Dear Miss Stevill,

The boys and girls of the Shelby neighborhood are having a nice time. We all want to see you badly. Jane Brather said she in town Saturday before last. I wish I had been along with her.

Have you seen Miss Lena Rivers Steele? I miss her so much. I think she is a nice lady. If you see her tell her the boys and girls said 'Hello!' and me also.

The 4-H-Club members are having a candy sale. The first sale we got \$150. We are going to have many candy sales. It is lots of fun. The girls are taking sewing and the boys are taking putty.

Mrs. Reynolds is our librarian. She is a nice lady too. We enjoy the book alot. Mrs. Dugan bring the books out to the school. Miss Adams bring some interest books out too.

Miss Van Meter is our gymnasium teacher she is fine. We have lots of fun

I hope you have a nice time through
the whole long Christmas and Thanks-
giving holidays. And wish for you
to have many more happiness through
the long year. (As now is short I will say)

Sincerely
Juanita Pelfrey
