FOREWORD

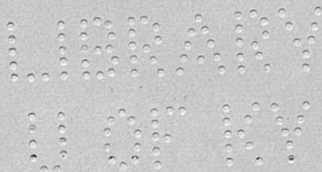

This Bulletin has been prepared as a revision of one issued April, 1935, and contains the Multiple List of Textbooks adopted on February 15 and March 1, 1935, by the State Textbook Commission as authorized in Sections 4421a-38 and 39, Kentucky Statutes.

The purpose of this Bulletin is to give the correct title, the wholesale price, retail price, exchange price, and publisher of each book adopted for use in the Public Schools of Kentucky during the years 1935 to 1940.

The Basal Adoption in each subject will be identified by an asterisk at the left of the title. These books shall be used by all County and Independent Districts which were not eligible to make their own adoptions at the time this adoption was made in 1935. Cities of the first four classes and County Districts which were eligible in 1935 to make their own adoptions shall use books adopted from the Multiple List and designated in contracts made between the publishers and local school boards. The Multiple Contracts run for a term of five years, terminating in 1940.

This Bulletin contains all reductions in prices since the Basal and Multiple Contracts were made March 1, 1935. It does not, however, list increases in prices due to the fact that the terms of the contracts are not affected by increases during the life of the contract.

H. W. PETERS,
Superintendent of Public Instruction.

EXTRACTS FROM 1930 TEXTBOOK LAW

From Section 4421a-38, Ky. Statutes. "From this list the board of education in an independent school unit embracing a city of the first, second, third, or fourth class, upon the recommendation of its superintendent, shall, not later than June 1, 1930, and not later than May 1st of any subsequent adoption year, select and adopt for use for a period of five years in its school system one book for each subject and grade to be used as a basal text in its city school system. . . . Provided, the board of education of any independent school unit embracing a city of the first, second, third, or fourth class, upon the recommendation of its superintendent and the majority vote of the entire board of education, may adopt a basal text or the complete series of basal texts from the uniform list of books to be used in school districts outside of cities of the first, second, third, or fourth class."

From Section 4421a-39, Ky. Statutes. "Provided that a county board of education, of a county maintaining a school term of at least nine months by a majority vote of the entire board, upon the recommendation of its superintendent, may select basal textbooks to be used in the county school district from the list adopted and approved for city school districts by the State Textbook Commission."
