ABBEY OF GETHSEMANI
TRAPPIST, KENTUCKY

in Cat. Rev 10 June 64

Nov 11. 1964

Dear Carolyn:

Many thanks for all the Ionesco. I am sending back Renan today. There are very interesting things in it but I do not want to keep it too long.

Do you by any chance have a book called "Strategy and Conscience" by Anatol Rapoport? It sounds very interesting and I would like to borrow it if it is available.

Best wishes always to you and Victor,

Cordially in Christ,

Tom.
