"We the members of  
Board of Directors  
condemn the U.M.W. as un-  
American and pro-Russian."  
"We deplore the so-called  
meeting of the so-called  
strikers held in Pine,  
and condemn our author-  
ities active in calling  
for aid from Houlton  
which in our judgment  
was necessary to  
calm the fears of  
our citizens occasioned  
by the threats expressed  
by some of the speakers  
at Houlton concerning the matter"
