SOPHS WIN ANNUAL TUG OF WAR FROM FROSH FOR FIRST TIME SINCE 1916

Freshman Class Gets Cold Drenching in Clifton Pond

EQUAL NUMBER SELECTED

Experience of Sophs Responsible For Victory Over First Termers

For the first time since 1916 the sophomore class has triumphed over the freshman "hordes" in the annual tug o' war held at Clifton pond last Friday afternoon. Team work on the part of the sophomores and a new ruling providing that an equal number should be on each side is responsible for the victory.

Long before 2 o'clock, the time set for the frosh to gather in the armory to discuss plans for the day, the walks in front of Buell Armory were crowded with a mob bearing a resemblance to the far-famed Coxie's army.

The sophomores were less demonstrative. At the meeting in the chapel each man was cautioned not to crowd the cable but to take plenty of room and at the signal to get the jump on the freshmen and pull steadily.

At 3 o'clock the signal was given and the tug o' war began. The sophomores having won the toss for position, chose to defend the Rose street side of the pond, because it gave them a better chance to pull the frosh down hill once they were started. At first neither side could do more than strain against the cable. For a moment or so everybody was at a dead halt then the teamwork of the sophomores began to tell. Slowly but surely they began to climb the hill, the walk turned into a run and the luckless frosh were in the pond. The seniors who were lending their "moral encouragement" to the sophomores assisted in throwing a few of the survivors whose valor got the better of their discretion, into the pond.

The sophomores spent a very enjoyable afternoon.

U. K. REGIMENT TO LEAD ARMISTICE DAY PARADE

Program To Be Given At The Ben Ali Theatre Saturday Morning

The annual Armistice day parade will probably be led by the University of Kentucky regiment under command of Cadet Colonel Roscoe Cross. The parade will form at 10 o'clock, Saturday morning, November 10. All cadets will report to their respective units on the drill field immediately after the dismissal of second hour classes where the regiment will be formed under the direction of Lieutenant Colonel Freeman, who is grand marshal of the occasion.

The parade will be composed of the American Legion, the Veterans of Foreign Wars Club and various other civic and fraternal organizations. After passing over the course mapped out for the parade the cadet regiment will attend the Ben Ali theatre where several brief Armistice day addresses will be delivered by well known Kentuckians.

FRESHMAN BUILDING DRIVE CLOSING THURSDAY, NOV. 9

Total of \$17,612 is Subscribed By Class of '27

A total of \$17,612 was reported, as the present freshman subscriptions to the basketball building fund, at a meeting of the executive committee held in the Administration building. The representatives of the class reported that there were about 300 members who had not been solicited as yet, from whom they hoped to secure the remainder of the objective, \$20,000.

Another meeting was held Thursday evening at which various plans were submitted to the Freshmen for raising their other \$20,000, the most popular one being that they be classified according to counties and endeavor to raise it from their respective high schools. If this plan is unfavorable other means will be devised.

PRINCIPALS IN MARTHA HAVE BEEN ANNOUNCED

Margaret Owens Chosen to Sing The Part Of "Martha"

The principals of the opera "Martha," which will be produced the latter part of this month under the supervision of the Music Department, have been selected and announced as follows:

Martha Margaret Owens
Nancy Josephine Frazar
Lionel Robert Clem Plunkett
Elmer Barker
Sheriff of Richmond..... J. W. McDonald
Sir Tristan Elbert DeCoursey

Minor singing parts will be selected from the chorus of forty-five voices. "Martha," which was composed by Plotow in 1845, is a grand opera of the highest character. It deals with English nobles and peasant life. Perhaps the best known air in the score is "The Last Rose of Summer," an Irish folk song which Plotow immortalized by putting it into this opera.

The designing of the costumes is being executed by Miss Elizabeth Cromwell and the making of them has already begun in the home economics department. Other departments of the University will co-operate with the Music Department in making the production of "Martha" worthy to represent the University at its best in the field of musical entertainment.

SIGMA XI TO MEET

The first meeting of the year of the honorary scientific society, Sigma Xi, will be held Friday evening at 7:30 in the Science building, room 108. Prof. C. S. Crouse will speak on "Mineral Resources of Kentucky." All members of the society are invited, whether they are connected with the university or not. Dr. W. D. Funkhouser will preside.

VISITORS TO LAW COLLEGE

Messrs. H. T. Hardin, of the class of '14, E. E. Hardin, of '20, M. K. Ehlen, of '21, G. F. Gallup and P. E. Ashby, of '22 were among those who returned to the Law College for a greeting before attending the State-Centre game Saturday.

Mr. Samuel Lambert, of Henderson, an alumnus of the University, is visiting fraternity brothers at the Sigma Alpha Epsilon chapter house.

KENTUCKY CONFERENCE OF Y. W. C. A. TO BE HELD HERE NOVEMBER 9-11

125 Students and Faculty Delegates From Three States

WOMAN'S CLUB HOSTESS

Discussions of Practical Problems to Take Place at Meeting

The Kentucky Conference of the Young Women's Christian Association is being held this week-end at the University of Kentucky.

There will probably be 125 student and faculty representatives present from the following colleges: Berea College, Hamilton College, Eastern State Normal, Kentucky College for Women, Kentucky Wesleyan College, Transylvania College, University of Kentucky, University of Louisville, University of Tennessee.

Meetings will be held in the recreational hall of Patterson Hall to which all women students are invited. Any girl desiring to become a member of the organization will be charged a fee of one dollar. Members are eligible to all social functions.

The discussions will deal with the following problems: Local Association Problems, Faculty Relationships, Instructional Relationships, Student Industrial Co-operation, Student Friendship Fund, National Convention, National Student Assembly, Student Volunteer Movement, World Student Christian Federation. Miss Holmquist will have services of worship each day.

The secretaries who will be present are: Miss Katherine Lumpkin, Miss Gladys Bryson, Miss Stella Spurlock, Miss Grace Lumpkin, Miss Louise Holmquist.

The calendar is as follows: Thursday, 3:30 p. m., a joint meeting of the Y. W. C. A. cabinet and the Advisory Committee at the home of Mrs. Roberts.

Friday, Miss Jewell and Miss Blanding will entertain with a luncheon in honor of the secretaries.

Friday, 4:00 p. m., a meeting of the Executive Committee with a representative from each delegation.

Friday, 6:30 p. m., the Woman's Club of the University, and the Y. W. C. A. Advisory Committee will entertain the delegates with a supper at the home of the president.

Friday, 7:30 p. m., first official meeting. Miss Holmquist will speak and all of the secretaries will make a short talk.

Saturday, 9 a. m., official meeting. Luncheon for the delegates at the University cafeteria.

Saturday, p. m., separate meeting of the undergraduate delegation and faculty.

Saturday, 2:30 p. m., the undergraduate delegates will go for a drive and at 3:30 for a Blue Ridge and Montreat picnic and hike.

There will be a meeting Sunday morning before church and another in the afternoon. Sunday evening at 5:30 Mrs. Giles, director of residence halls, has invited all women students living in halls, fraternity houses and off campus boarding houses to a tea at Patterson Hall. The tea will be followed by the final meeting of the conference at which Miss Holmquist will speak.

FRANK CARTER IS CHOSEN JR. EDITOR OF KENTUCKIAN

Other Class Officers Elected By The Juniors

Frank Herbert Carter, of Somerset, junior in the College of Arts and Science, was elected junior editor of the Kentuckian at a Junior class election held in chapel Monday afternoon. Carter is a member of Alpha Delta Sigma, honorary journalism fraternity and has been active in journalistic work on the campus. W. O. Billiter, president of the class, presided at the meeting.

W. H. Skinner, of Morganfield, was elected assistant business manager of the Kentuckian; James Darnell, of Frankfort, was elected class orator; Layman Mays, of Eminence, in the College of Engineering, was chosen as class treasurer, and Miss Annette Kelly, of Lexington, was elected class secretary.

TRY-OUTS FOR SPEAKERS BUREAU TO BE NOV. 19

Six Men Will Be Chosen For Organization; Five Left From Last Year.

The Student Speakers' Bureau composed of eight men was organized at the University last year with the idea of spreading the gospel of progress throughout the state.

Only five of the eight men from last year's organization are left: C. M. C. Porter, S. B. Neale, James Darnell, Ryan Ringo, and Robert Porter. Before starting the campaign of speech-making over the state this year, it is desired to add to the list six men; three of whom are to be active and three to be ready at any time as alternates to step into the line of duty.

For the purpose of choosing these men, tryouts are to be held Monday night, November 19, in the Little Theatre, where all aspirants are requested to be prepared to make a speech of from five to eight minutes duration on any phase of the University of Kentucky and its needs. The tryout will be in charge of three prominent members of the faculty acting in the capacity of judges.

MEETING OF MOTHERS WAS HELD MONDAY

A meeting for all the mothers and near relatives of the women students of the University of Kentucky was held Monday.

Tea was served immediately following the meeting which was called by the Dean of Women for the purpose of discussing various problems. Due to the inclemency of the weather few were present. It was decided that a meeting will be held next Monday in the Little Theatre in White Hall at 3:30. All girls are requested to tell their mothers of this meeting.

ATTENDS CONCLAVE

Thomas Baird leaves Thursday for Chicago to represent Scovell Chapter of Alpha Zeta at the eleventh Biennial Conclave. The conclave will be held at the LaSalle Hotel, November 9, 10, 11 and 12.

FRESHMEN, NOTICE

Chapel at the fifth hour on Tuesdays is compulsory for all freshman students.

ALABAMA GAME TO BE SHOWN ON GRID-GRAPH AT AUDITORIUM NOV. 10

Proceeds of Showing to Be Used To Send Band to Georgia Tech

DIRECT WIRE FROM FIELD

Band to Parade Before Game; Tickets on Sale By Su-Ky Circle

The Wildcats are playing on foreign soil this week and the fans will be given an opportunity to follow them play by play on the Grid-Graph score board. This method was used last Saturday when the team played Centre, and those who remained in Lexington praised the showing very highly.

In order to accommodate the crowd that is expected to turn out for this Saturday's game, the Woodland Auditorium has been selected as the place to show it.

Every effort is being made by members of the Su-Ky Circle to raise enough money to send the band with the team when we play Georgia Tech in Atlanta on the 17th of this month, and all the proceeds of the Grid-Graph showing will be used for this purpose.

The band will parade the principal streets of the city before the showing and during the game will render selections.

The plays of the game are sent direct from the field over a leased Western Union wire and every detail of the game is shown. In fact, it is as clear to the spectator as seeing the game itself. Members of the Su-Ky Circle will be in charge of the showing and have tickets for sale on the campus the last of the week. The novelty of the Grid-Graph and the interest in this big game should be enough to cause even the most pessimistic fan to turn out for the afternoon. The game will start at 2:15 at the Woodland Auditorium.

FRIENDSHIP FUND ASKS AID OF ORGANIZATIONS

Tuesday is Tag Day For Relief Of European Students

The Woman's Administrative Council is planning to continue their work in connection with the Student Friendship Fund by appealing to organizations and individuals for support. This fund, which is for the benefit of refugee students of central and eastern Europe, has been in existence on the campus for the last four years.

The Student Friendship Fund was started during the war in order to assist the students in the principal university centers of Central and Eastern Europe. The Universities of the United States voted to carry on this work by contributions and Kentucky is proud to be among those helping.

The students of Eastern Europe, Russia and Near East are actually below physical efficiency level. Fourteen thousand refugee students without homes, funds and in a strange land depend on us. It is our privilege to help these students by furnishing supplementary food to the sick and un-

PERSPECTIVE

The attitude of undergraduates is the most significant phase in the development of alumni loyalty. This is especially true of an institution like Kentucky just now experiencing a tremendous growth in numbers.

No finer illustration of love for the University has been given than at Danville last Saturday. They stood or sat in a rain that began more than an hour before the game and continued through the afternoon but their response to calls for cheering was magnificent throughout. The majority pulled just as the team fought—for a victory—to the end.

Near us sat some alumni and friends who complained of the support given the team, but across the way the cheering sounded like one mighty roar. It takes a different kind of spirit to turn out a strong band of supporters on a foreign field but that is what Kentucky has.

The Wildcats tied a team that tomorrow may beat these victors of last week. But winning is not the main thing. The courage bred in defeat is the sort that will spell success in the years that follow graduation. That is what makes alumni so valuable. Our alumni have a right to take pride in welcoming such associates as are now in the undergraduate body.

OUTLINES PROGRAM

University Will Announce Requests to Be Made of Legislature

In the last few weeks hundreds of former students of the University have been talking a prominent part in the political campaigns. Many of them won personal victories, others helped their friends into office.

During the next two months every alumnus should lend his help to giving every state official and member of the General Assembly a proper conception of the needs of the University and education generally. No one who knows can rightfully question our claim for a larger financial support. The task is then to show the legislators why and how.

The Alumni Office will announce soon the winners in the recent election. So far as it is possible to ascertain the attitude of these men the Alumni Office will be glad to make it known to those who inquire. Many of the legislators served in the 1922 session. Their attitude on University affairs has been recorded.

Among requests to be made by the University at the coming session will be appropriations for a general recitation building and a woman's building at \$250,000 each. For the following year appropriations for buildings will be asked to the amount of \$600,000. A complete summary of the proposed legislative program will be announced in the Kernel at an early date.

USE YOUR BALLOT

Thousands of dollars have been spent in the last four weeks by the governing parties in Kentucky to encourage use of the ballot. This is one of the greatest privileges of citizenship. Though our forefathers gave their lives for it there are today millions who are indifferent. A citizenry that is awake to its duties and opportunities is a great asset.

As in state and national elections so in elections among alumni has there been a considerable apathy. Such an attitude implies confidence in those in power but confidence never built a nation nor any institution unless accompanied by a willingness to work.

Officers of the Alumni Association deserve the co-operation of every former student and graduate. Those who are active are giving a finer support than that falling to the lot of any other university in the South but to keep pace with these others in the future more must be forthcoming.

Newlyweds Hit Buffalo

Mr. and Mrs. Tilford Wilson—Mrs. Wilson formerly was Miss Katherine Tucker—both graduates of the University, delighted their friends in Buffalo by making a two day stay with them while on their honeymoon. To make things more pleasant for the bride and groom Mr. and Mrs. Hugh Benn Orr, who attended the university and who are now making their home in Rochester, N. Y., were invited over. The two young married couples and several of the other alumni had one grand and glorious get together, and needless to say that when that many Kentuckians assemble they had a big time discussing Lexington, the campus, football and everything connected with the University, even the Lexington Drug Co.—Charley Graham.

CLARK HEADS CLUB

Detroit Organization Concludes Happy and Successful Year

At the annual election of officers of the Kentucky Alumni Club in Detroit, E. H. Clark, '16, was made president. The election of a secretary and treasurer was deferred until the next meeting.

Mr. Clark is an engineer. He is with the American Blower Company in their Detroit office, and is making good at the job. Much of his work calls him to the University of Michigan, at Ann Arbor, where he has sold and superintended the installation of the university buildings erected there the ventilating equipment in most of recently. As president he succeeds T. E. Warnock, '03.

Meetings of the club in Detroit are informal affairs held over a real southern meal at the Dixieland Inn. Most of the meeting is spent in talking of "the good old days" and looking forward to the time when Kentucky will take the place she deserves at the head of southern educational institutions. In that connection Mr. Clark recalled recently that the head of the Civil Engineering College at the U. of M. placed President McVey among the three greatest university presidents of the entire country.

Resolutions on the death of Price McLean were passed and a copy sent to Mr. and Mrs. McLean and to the alumni secretary.

BIRMINGHAM PLANS FOR GREAT CONTEST

Kentucky Alumni Will Fill Rooters' Section Behind Wildcats

While Birmingham will have its Alabama-Tech and Auburn-Georgia specials, the biggest special ever run out of Birmingham to any athletic event will steam out over the Louisville and Nashville Saturday, November 10, at 11 a. m. to the Alabama-Kentucky game. The game takes place on the campus of the University, Armistice Day, the annual home-coming day.

Arrangements had been made to entertain a crowd of 5,000 visitors, but it now seems certain that the crowd may double that number.

Huntsville and Gadsden are the last cities to wire for reservations, while Columbus has phoned in that all that

section of Mississippi would be over. The Tuscaloosa branch of the American Legion has joined the University authorities in celebrating the tenth as Armistice Day.

The annual road race that will be held at the University Armistice Day has attracted some of the South's greatest track men. This event will probably be held between halves of the football game.

Kentucky is a contender this year for the Southern championship, while Alabama is anxious to wipe out last year's defeat. Keen competition is sure to result.

In addition to the alumni and other visitors, it is said the Rotary and Kiwanis Clubs of Birmingham have accepted invitations extended by their Tuscaloosa brethren and will attend in a body, a private car having been chartered by each body.

Extra seats have been provided, and every arrangement has been made for the care and comfort of the visitors. Over one hundred of the fairest coded will serve luncheon. They were selected by ballot as all were anxious for the assignment. There was much good-natured rivalry before the results were announced.—Birmingham News.

As for the Birmingham Club, we expect to attend in a body. We have applied for a section of 100 seats. The local rooters and those who accompany the team should prove to the natives of Tuscaloosa that Kentucky has a loyal bunch of rooters as well as an excellent football team.—E. J. Kohn, Secretary.

Betwixt Us

Last week was annual conference of County Agents and many of them called in the Alumni office, paying dues, or looking for tickets to the Centre game. Among these were Wm. C. Johnston '16, Taylorsville, Spencer county; Gordon Marsh '19, 1325 Broadway, Paducah, McCracken county; Will D. Sutton, ex-18, Burlington, Boone county; Carl A. Wicklund '17, Independence, Kenton county, and Ivan C. Graddy, Elkton, Todd County.

Saturday brought some on their way to the Kentucky-Centre game: from Evansville, Ind., Henry T. Hardin '14, and Mrs. Hardin, Edward E. Hardin '20, and Wm. Lee Smith '16. Many others came through the city on their way to Danville.

Vail Baldwin ex-24, who has been with the Baldwin-Poca Coal Company at Roderfield, W. Va., called to pay dues and make a pledge to Greater Kentucky campaign. He is now with the Farmers Supply Company, 821 Main street, Paris, Ky.

E. M. Denham, chief engineer of the Southern Mining Company, at Williamsburg, Ky, stopped for a short visit en route to Danville.

George Matt Morgan has been a lumber merchant in Cincinnati for many years and is now with the Nicola, Stone & Myers Company at 1221 West Liberty street. He married Miss Florence Ziegler, September 21, 1901, and they have two daughters, Margaret L. and Anna Virginia. The family resides at 3543 Epworth Ave.

Perry West and his brother, Howard West, '05, were called home recently due to the illness of their father, who met with an accident while cranking his automobile. Mr. West, who is at the Good Samaritan Hospital, Lexington, is reported getting along nicely. Perry West is executive engineer and secretary of the Anti-Corrosion Engineering Company, 117 West 54th street, New York city, and Howard West is assistant to the vice president, Jos. Baker Sons and Perkins Company, White Plains, New York.

Enclosed find my check for alumni dues, also pledge card to the Greater Kentucky Campaign. I certainly wish

I could give more and if future conditions allow, I will gladly add to this amount. Best regards to all and particularly the grand old University of Kentucky.—Wm. F. Hart, U. S. Bureau of Public Roads, 204 Federal Bldg., Lincoln, Neb.

Thos. F. Ott received his B. S. in '07 and M. S. in '14. For several years he was instructor in chemistry in the University of Kentucky. During the year 1914-15, he was a student at the Massachusetts Institute of Technology, and from there went to California to take a position with the Union Oil Company as research chemist. He is now superintendent, lubricating division, of the Company, at Oleum, Calif.

Halcomb Hudson is with the Frederick A. Schmidt Company, where he has been practically ever since his return to civilian life after service in the World War. His business address is 134 East Fourth Street, Cincinnati, Ohio.

Willis Ewing Hobson, who for several years has been with the Island Creek Coal Company, at Taplin, W. Va., is now mining engineer with Creelius & Philips, consulting engineers, 801 Wabash Building, Pittsburgh, Penna. Mrs. Hobson was Miss Martine Bennett, of Owensboro, Ky. They have two little daughters, Ruth Bennett, born May, 1917, and Mary Eleanor, born in December, 1918. The family are living at 515 S. Graham street.

R. L. Ehrlich, formerly with the Missouri State Highway Department, is senior member of the firm, R. L. Ehrlich & Company, construction engineers, Smithville, Mo. He married Miss Anna Dunbar, June 25, 1921. A future wearer of the Blue and White is Robert L., Jr., born January 4, 1923.

Mr. and Mrs. Mervin J. Kelly are welcoming a little daughter who arrived October 6. She has been named Mary Katherine. Mr. Kelly has been with the Western Electric Company since January, 1918, and holds an important position in the research department, at 463 West Street, New York City.

"Enclosed find dues for this year. Please change my address from Dubuque, Iowa, to 121 North Seventh Street, Terre Haute, Ind. I am general secretary of the Y. M. C. A. here."—Julia L. Van Arsdell.

Mr. and Mrs. W. C. Eyl have the good wishes of many friends for their son, born November 1. Mr. Eyl is consulting geologist, with offices at 407 City National Bank Building, Lexington.

"I want to compliment the member of the Kernel staff who wrote the Kentucky-Washington and Lee game review. I think it is one of the clearest presentations of a football game I have ever read. No muddling figures of yardage and passes, but a story that enables the unfortunate graduates to picture the game mentally with pleasing results."—Charles E. Planck, Free Press, Detroit, Mich.

"I am enclosing check for Kernel and hope I do not miss any numbers for I like to keep up with activities on the campus."—Raymond W. Hanson, care of Alvey-Ferguson Company, 714 Old South Building, Boston, Mass.

Mr. and Mrs. R. H. Cottrell and young son, Harry Jr., have been visiting Mrs. Cottrell's parents, Mr. and Mrs. E. B. Allender. Mr. Cottrell, who is county agent of Marshall county, attended the Annual Conference of County Agents. They live at Benton, Ky.

Miss Katherine F. Bell, formerly with Central High School, has been transferred to the new Eastern High

School, Washington, D. C., and will organize and develop the Department of Home Economics. Her sister, Mrs. Ruth Bell Branham, is teaching in Central High School. Miss Bell's address is 3014 Thirteenth St., N. W.

"Here is my check for reservation on the U. K. Alumni Train. I want to ride with the others on the 'Kentucky Boosters' Express.' Rush the Kernel for I am getting anxious to know what is doing on the campus."—F. D. Weatherholt (with Westinghouse Electric & Manufacturing Co.) Y. M. C. A., 122 Chestnut St., Springfield, Mass.

Robert J. Raible has been awarded the most important of the "compensation church work plan" scholarships at the Harvard Theological School. Scholarships on this plan were awarded for the first time this year. Under its operation a number of churches in the vicinity of the university are united in giving the scholarships. Mr. Raible won the Billings prize given last June, for the greatest improvement in delivery. He is a second year student. His address is Andover Hall, Frances Street, Cambridge, Mass.

"I regret that my subscription to the Greater Kentucky campaign was delayed, but here is a check and also, as soon as I am financially able, I intend to send another and larger check for this campaign."—Amanda Forkner (teaching in high school) Geneva, Ind.

Louis P. Gould, chemist with the Miller Rubber Company, Akron, Ohio, asks that his Kernel be addressed to 115 North Adams Street.

"Enclosed find check for dues. I do not want to miss a single copy of the Kernel. I am back in Sturgis, teaching, and Lillie Cromwell '21 is here, too. We are always interested in U. K., and especially as I have two sisters and several pupils there this year. Yours for a bigger and a better University."—Katherine Reed.

Berley Winton is connected with the Poultry Division, Extension Department of the University of Missouri, Columbia, Mo. Address 1409 Windsor street.

"I am taking a course in sociology at Columbia University this year, and want my Kernel sent to 1230 Amsterdam Avenue, Box 27, New York City."—Elizabeth Jackson.

Phillip R. Watlington is county agent of McLean County, address Calhoun, Ky.

"I was proud as well as interested, to note the record enrollment for this school year. I feel sure that the University of Kentucky is now on the open road which leads to the front rank in education. Here is hoping nothing stops her."—T. E. Sparks, Attorney, Greenville, Ky.

"I am enclosing check for dues. Just can't miss another copy of the Kernel because I want all the news from old U. K."—Ann Mary Risen, teaching in high school, Toledo, Ill.

Robert McAlpin is teaching agriculture in the high school at Wingo, Ky.

"Please send the Kernel as soon as possible."—Sam H. Ridgeway, Jr., 219 West Sixth Ave., Clearfield, Pa. Dewey M. Porter is teaching mathematics and science in the Union High School, Granada, Colo. Address Box 61.

"I am teaching Home Economics, Music and Art in the high school here, so please send my Kernel to Lynnville, Ind."—Anna Bess Sargent.

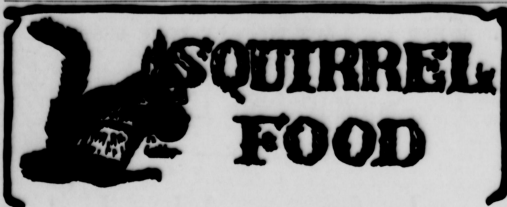

R. D. Shipman asks that his Kernel be sent to Shelbyville, Ky., R. F. D. No. 2.

After the cigarette—"If you go inside your father will smell smoke on your breath."

"Oh that's all right—he'll think it was you who were smoking."

Tom—"You know, last year the doctor told me if I didn't quit smoking I would become feeble-minded."
Grace—"Why didn't you stop?"

Stude—"See this chalk on my shoulder?"
Ditto—"Yeh."
Stude—"Well it aint chalk."

It lay beneath her on the floor;
A thing of pink and blue.
She thought the dance would never start;
She knew not what to do.

He saw it then and had to smile;
'Twas most beyond belief
And stooped and picked it up and said,
'Is this your handkerchief?"

He—"Do you drink? I thought you were a Quaker?"
Hic—"Hic—I am—b-but I'm sowing muh—my Wild Quaker Oats."

Stenog—"Howdja spell 'sence?"
Employer—"Dollars and cents, or horse sence?"
Stenog—"Well, like in 'I ain't seen him sence."

—Wag Jag.

Drip—"Did you notice any change in me?"
Emmet—"No, why?"
Drip—"I just swallowed a dime."

"Nurse, did you kill all the germs in my baby's milk?"
"Yes, ma'am; I run it through the food chopper twice."

—Life.

Frosh—"I got fifty percent of my intelligence best."
Senior—"Yeh; that makes you half-wit, doesn't it?"

—Record.

Then more than usual lack of intelligence among the students that morning had gotten under the professor's skin.

"Class is dismissed," he said exasperatedly, "please don't flap your cars as you pass out."

—Froth.

Old Darky (severely)—"I ain't ask you is you ain't; I ask you ain't you is."—Exchange.

Mean Thing

"Pretty hard luck for me," said Helen. "I bought a \$4.00 meal ticket

for \$3.50. Just after I had paid for it, I dropped it on the sidewalk, and before I could pick it up a fellow with big nails in his shoes stepped on it and punched out \$2 worth of meals."

Scene: Before the Palace

It was a lurid British melodrama, and one of the characters, a king, was haranguing his son.

"Come," said the king, "let us go into the 'ouse."

"Did you hear that?" said a man in the stalls to his companion. "He said 'ouse."

Overhearing the remark, and fixing the interrupter with his eye, the king advanced to the footlights and exclaimed:

"Yus, I said 'ouse. Do you think as how a king would live in apartments?"
—Tit-Bits (London).

An Optimist

A German shoemaker left the gas on in his shop one night, and upon arriving in the morning struck a match to light it. There was a terrific explosion, and the shoemaker was blown out through the door and almost to the middle of the street. A passer-by rushed to his assistance, and, after helping him up, inquired if he was injured. The little German gazed at his place of business, which was now burning quite briskly, and said: "No, I ain't hurt. But I got out shust in time. Eh?"—Boston Congregationalist.

THE CENTRE GAME

The Kernel has no excuse to offer for the defeat of the Wildcat team last Saturday at the hands of its historic rivals the Centre College Colonnels.

Our friends, the enemy, simply outplayed us on a field that rendered it impossible to get the benefits of formations we had practiced for this event; nor are the Colonnels responsible for the misfortunes that befell our team that sent five injured men into the fray. We are not offering these as excuses. It was a clean game reflecting commendable sportsmanship on both sides, and the good people of the Boyle county capital could not have shown a finer spirit of hospitality even in the midst of a period of generous rivalry than they displayed on this occasion.

We are proud of the showing our game champions made upon that historic day and lift our hats to the dauntless Colonnels who have at all times proved admirable and manly rivals.

The Meow, a comic student monthly, the result of private enterprise upon the part of a coterie of capable students of the University, made its appearance on the campus last week and was given a reception so flattering as to be a source of gratification to its promoters.

Students of the University, for a number of years have felt there was sufficient talent in their body to give the State a monthly publication devoting itself to literary enterprise and the dissemination of the best things in the field of comic entertainment. The Meow may be said fairly to have exceeded even the most ambitious expectations. It was a clean production from cover to cover exceedingly witty, replete with observations that were humorous and amusing, written by young men and women of outstanding talent in student rank. Its physical appearance was attractive, its typography was well nigh perfect and its illustrations by the gifted Wickliffe Moore quite the equal of those illustrations that have won fame for excellence in cartoon execution.

The Kernel wishes for its contemporary the best that can come to it,

and predicts here, that if it should be exploited properly among the former students and alumni of the University it would win instant and widespread recognition.

WHY THE KICK?

Editor Kernel:
Do students learn clean sportsmanship at the University of Kentucky? If so, the Freshmen certainly received a jolt on last Friday at Clifton pond.

This is not said in an attempt to create any discord or enmity between the classes at the University, but that the student body might realize that new students expect loyalty and fairness especially in interclass contests.

We are not complaining because we got our feet wet, nor do we consider ourselves humbled because our end of the ropc was pulled through the water. We believe we can defeat in the right spirit whether received in friendly rivalry or by unfair means.

No attempt will be made here to enumerate the series of events which led up to the "raw" deal which we received at the hands of the upper classmen because they are fresh in the memory of all fair-minded persons who witnessed the event and one needs only to make a little inquiry to obtain the details.

The tug o' war has been an annual contest between the Sophomore and Freshmen classes for several years and if conducted properly helps the new students to obtain the right kind of impression of what is thought and expected of him by the other students. If, however, an unfair advantage is taken of him it causes him to lose interest in all other contests of that kind.

If athletic teams used unsportsmanlike methods to defeat the opposing side, then there soon would be no more athletics. This is also true of the tug o' war, for it is in reality an athletic event and it may be, on account of the way the last one was conducted that it will be ruled out altogether in the future.

But let us try to prevent that. We know that the upper classmen only let their enthusiasms carry them a little too far and we would like nothing better than to enjoy their confidence and respect which somehow we have missed so far.

Only by standing together can we accomplish the most for old Kentucky and at the same time get the greatest benefit for ourselves. But if while here we do not learn clean sportsmanship and what it means we have lost more than we have gained in a college education.

LAGNAPPE

Without comment pro or contra, we draw attention to a new college type. His habitat is the bleachers on football occasions and his function is to keep up a rapid-fire barrage of scintillating wit, consisting of ennuied but very astute observations, all calculated to reveal his own sophistication and to provide entertainment for his patient fellow-spectators. He prefers to seat himself behind a row of co-eds, since these are more susceptible to his humor and applaud more readily his wise-cracks. He brings along an interlocutor, since some one is needed to make openings for his shafts of ineffable wit. The interlocutor surveys the field and says: "Oh, Charlie, they missed a forward pass. Kirwan threw that one too wild." "But Hawrace," comes back the professional end-man, "Wild didn't catch it, did he?"

We that suffer are prone to recommend something scarcely less serious than homicide; but to prevent harsher treatment, the Kernel points out that he occasionally buys hot-dogs and peanuts, thus giving much-needed aid to the Su-Ky Circle.

Our faculty members have never been made the subject of serious complaints. Yet we cannot forego mention of the fact that a few are so widely separated from their youth that they have acquired an apparent aversion for all athletic contests. A well known

surgical operation, entailing the use of Dean Anderson's pet monkeys might effect a general rejuvenating process.

An English student said that before he entered an American college, he had been led to believe that the English language was spoken in America.

Y. M. & Y. W. C. A. NOTES

The Y. W. C. A. finance drive, which was launched last week, took in \$356, according to the latest report. This amount, however, will probably be increased as all the returns have not as yet been handed in.

There will be a joint meeting of the University Young Men's and Women's Christian Associations at Patterson Hall, Sunday evening at 6 o'clock. Mr. L. S. Cottrell, of the Student Volunteer Movement, will address the assembly concerning the work which he is helping to promote. Cottrell is a graduate of the Virginia Polytechnic Institute and was general secretary of that institution during this last year. Mr. Cottrell comes highly recommended as a student's friend and advisor and will be glad to interview any student who wishes to consult him during his two days' stay here and at Transylvania.

The weekly Bible Classes conducted under the auspices of the University Y. M. C. A. are most all organized and are beginning to function. There are twenty-six of these classes to date and are located throughout the city at private homes, the Men's Dormitory, and at the various fraternities. Others will be opened at any place where there is a group of students who are not already conveniently served by one of the places listed below if application is made to either Bart N. Peak, secretary of the Y. M. C. A., or to Charles Hubbard, chairman of Bible Study Committee.

The Association has a very able corps of leaders comprised of advanced students, pastors of city churches, and about fifty members of the faculty. This large number of available Bible Study leaders is very indicative of the interest manifested in the Christian life at the University.

The hand book that is used as a text is "Jesus' Measure of a Chris-

tian" prepared by Arthur Hugh, secretary of the International Committee, Young Men's Christian Associations, Foreign Division (China.) The text was first used in China and was later revised and edited for use in America. It is not an individual's interpretation of the Bible but is a concise manual to lead the student to read the Bible and make his own decisions.

The following is a list of the Bible Study Classes and the leaders in charge of each:

Fraternities: Alpha Gamma Rho, Prof. H. Scarbrough; Alpha Sigma Phi, Dr. J. A. Gray; Alpha Tau Omega, "Daddy" Boles; Delta Chi, Kappa Alpha and Kappa Sigma, leaders to be selected; Phi Delta Theta, Prof. H. S. Hinks; Phi Kappa Tau, Prof. L. L. Dantsler; Pi Kappa Alpha, Dean R. K. Massie; Sigma Alpha Epsilon, Prof. B. P. Davis; Sigma Beta Xi, Mr. D. H. Peak; Sigma Chi, Prof. G. W. Vaughan; Tau Delta Alpha, Dean W. S. Taylor; Triangle, Prof. E. A. Burrow; Chi Sigma Alpha, Prof. E. S. Good; Alpha Gamma Epsilon, Dean C. R. Melcher.

Private homes: 287 South Limestone, Mr. John E. Dunn; 628 South Limestone, Dean P. P. Boyd; 328 Aylesford, Prof. H. S. Wolfe; 538 Rose, G. D. Rodgers; 428 Linden Walk, G. A. Farrant; 429 Linden Walk, R. E. Clark; 356 South Upper, S. R. Hill; 358 South Upper, Ralph Jones; 149 Washington Ave., E. S. Melton. The two classes at the men's dormitory to be lead by Tom Baird and W. R. Hutcherson. The time of meeting will be on Wednesday for most classes; the hour to be fixed by the individual groups.

During the past year the aggregate attendance totaled 312 per week and it is hoped to be increased this year. The class that has the best record at the end of the year will be awarded by the Y. M. C. A. with a banquet.

Plans For Home Coming

The Lexington Alumni Club has completed definite plans for the entertainment of old students who come to Lexington for the annual home-coming game, to be played between Tennessee and the University on Thanksgiving.

It was decided to hold a general reception at the hotels on the morning of the game to welcome old students to Lexington. The Athletic Association has reserved seats on the north side of Stoll field for the alumni and former students, in addition to a number of boxes on the south side. Mr. S. A. Boles has already received a large number of telegrams and checks asking for seats for the Thanksgiving home-coming game.

After the game the Lexington Alumni Club will be hosts to a dinner-dance to be held at the Phoenix from 6 to 11 o'clock. The Tennessee team and the Wildcats will be guests of honor on this occasion.

Mr. Duncan Hamilton, president of the club is chairman of the committee to arrange plans for the home-coming game. Among the members of the committee present at the meeting Monday were Miss Marie Barkley, Lucile Hutchinson, Nancy Innes, Bessie Conkwright, Marguerite McLaughlin, Messrs. W. C. Wilson, White Guyn, Ed Dabney and Fred Staples. Four hundred guests are expected at the dinner dance, while more than 1,000 are expected to come to Lexington for the game.

Womans' Club of U. K.

The Woman's Club of the University will meet Friday at 3 p. m. at Patterson Hall, and an Armistice Day program will be presented, with Mrs. A. M. Harrison and Rev. B. J. Bush as the speakers.

The hosts will be: Mesdames E. S. Good, Harry Allen, W. S. Anderson, H. H. Jewett, N. R. Elliott, W. J. Harris, F. J. Keilholtz and Misses Amanda Harms and Lucile Logan.

Woman's Pan-Hellenic

Woman's Pan Hellenic banquet, the outstanding social event of the year for Greek letter fraternity women, was an especially brilliant affair that took place in the ballroom of the Lafayette hotel Friday night with more than 200 guests present.

Miss Margaret Chenault, Chi Omega president of Woman's Pan Hellenic Council, presided as toastmaster, announcing as the subject of the toasts, "My garden is a lovely thing, God wot."

Delta Zeta fraternity was presented with the scholarship cup for the year.

WILDCATS ENTRAIN FOR TUSCALOOSA WHERE THEY MEET THE BAMAS

Large Crowd Gives Blue and White Enthusiastic Sendoff

THIRTY IN SPECIAL CAR

Winn Shifts "Cave Man" Rice to Center, and Brewer To End

The Wildcat grid squad, numbering about thirty, left the Southern station at 10:30 last night, bound for Tuscaloosa, Alabama, for its contest with the Crimson Tide of the University of Alabama, to be played Saturday. The squad made the trip in a special car, arriving in Tuscaloosa at noon today. A light work-out Friday afternoon in Tuscaloosa will complete the Cats training for the Bama clash.

Despite their defeat by Centre last week Captain Dell Ramsey and his gang of Cats are in the best of spirits and are very much determined to repeat last year's performance. To add to their enthusiasm, they were given an enthusiastic sendoff by the student body at a big pep meeting at the station. Cheer after cheer reverberated through the night air as the Crescent City Special pulled out of Lexington, bearing the hopes for the S. I. C. title.

While last Saturday's loss put the Cats out of the running in the State race, the Blue and White still have a chance to cop the S. I. C. honors by winning the remaining games on their schedule. Victories over Alabama, Tech and Tennessee, would tend very much to elevate Kentucky in the southern grid world and to offset Centre's victory.

Apparently not satisfied with the performance of his charges in the Colonel game, Jack Winn has shifted his lineup during the past week in order to find the best combination to stop Bama's strong offensive. The main workouts of the week have found "Cave Man" Rice, guard and former fullback, taking care of the center job. "Jimmie" Cammack has been sent to Rice's guard position, and "Big Bill" McFarland has taken possession of his old tackle berth after a two-weeks layoff. Kenneth King, veteran end, went to the hospital squad, immediately after the Centre clash, and has been replaced on the right flank by Ted Brewer.

In the backfield things are less stable. From all present indications it seems that Winn will start Turner Gregg at his old quarter position. Possessing an uncanny ability to run the team in the way it should be run, and valuable because of his punting and drop kicking, and his passing, Gregg has been held out of recent games because of his slowhealing injuries. Kirwan and Hughes at the halves, and Sanders, at full, are the most likely to start against the Crimson.

CINCY CINDER ARTISTS TO MEET CATS HERE

Bearcats Have Victory Over Carnegie Tech to Their Credit

The University of Kentucky cross country team will encounter its first opposition Saturday, Nov. 10, when it meets the strong representatives from the University of Cincinnati here. Captain Gorman, Hall, Hendricks, Allen, Butler and Smith will wear the blue and white and they hope to be the first to break the tape as they did in the meet last year.

The Kentucky lads will meet real opposition in the squad from Cincinnati—Last Saturday Cincinnati turned in a victory over Carnegie Tech, a feat that any school would be proud of. "Cincy" always has a good cross country team and a good meet is expected Saturday.

Kentucky is especially strong this year. Gorman is showing his old time form and in the last try outs ran in very fast time. Hall is in the best of condition and his showing in the class meet, much is expected of him. This will be the first appearance for Hendricks in the blue and white, owing to the one year ruling. In all the try-outs he has finished among the first and is expected to do the same thing Saturday. Allen, Butler and Smith are a' ready for the start and hope to help carry Kentucky to victory.

Davidson, Creech and Ferguson, who have been working all year and whose time was not quite fast enough to let them on the team, will be allowed to run Saturday, and should either of the three come in ahead of any member of the team he will likely run in his place in future meets.

The definite time of the meet has not been settled, but is expected to be held in the morning if possible. The run will start in front of the gymnasium and continue over the course of the last state meet.

WONDERS

We know how to fly, with and without engines; we can cure deafness and insanity by punching certain bones in the back of the neck; we draw speech and music out of the air through electric lamps; we make almost as good leather in a laboratory as a natural cow can make it from corn and sweet clover in a field; we juggle fruits and flowers to make them give us what we want in taste, form and color; we talk, ride, sail or fly around the world; we are constantly on the quest of something new for our pleasure or profit; and we usually get it definitely and promptly when we go after it, no matter what it is; but there is still one thing we seem to want and need without getting it, perhaps because it is comparatively yeasty to attain, and that is the knowledge and art of living in peace and contentment, by ourselves and with our fellow beings. That should be the next great wonder of achievement.—Ward's Words.

U. K. LOSES ANNUAL SCRAP WITH CENTRE BY SMALL SCORE OF 10-0

Game Played on Muddy Field—Holding Kentucky at a Disadvantage

SAUER STARS FOR STATE

Wildcats Play a Wonderful Defense—Holding on One Foot Line

Kentucky's great-hearted football eleven went down before the Centre Colonels, 10-0 last Saturday in a sea of mud, the game deciding the Kentucky championship for 1923 and also dedicating the new Centre stadium. Kentucky burst into Centre territory only once, practically all of the game being played within the Wildcats' 40-yard line.

"Hope" Hudgins, Centre's speedy little halfback, was the individual star of the game because of his wonderful end runs and Curtis Sauer, Kentucky center, was next on the list of luminaries, due to his uncanny ability to get off punts with a slippery ball and with Centre linemen practically covering him. Sauer's work was outstanding, as he played his position against Kubale, a man whom Centre supporters have boosted for All American honors.

It was Centre's playing on the kickoff that defeated the Wildcats. On the first kickoff Covington received and behind excellent interference carried the ball well into Kentucky territory throwing the Wildcats into a defensive game from which they were never able to recover. In the second half when Centre kicked off, Kentucky fumbled and recovered in their own territory and again were forced to take up the defensive burden.

Centre, with all of her yardage gained, was unable to push over a touchdown until the last quarter. In the first period the Colonels carried the ball to the Kentucky fifteen yard line but there the Wildcat line held for three downs and Lemon dropped back to score from a place kick. In the last period Centre again carried the ball into scoring position but she had learned that the Wildcat line was impregnable when its goal was endangered and the overhead attack was used to score the lone touchdown of the day, a pass Covington to Spurlock, being the play that counted.

The thing that made the game worth while from a Kentucky point of view was the never-die, fighting qualities shown by the Cats. Once on the one-foot line the Wildcats held Centre for downs. Again and again Centre carried the ball into scoring position but always the Kentucky team braced and met the test.

The game opened as all mud games do, with line plunging the predominant play, but unlike most mud games, it developed into an end running contest. Moran saw Centre could not hope to score through the Wildcat line so he sent Hudgins into the game and from the time he stepped on the field, Centre crushed Kentucky with sweeping end runs. Hudgins was always good for a gain behind the sweeping interference that has characterized Centre's play since the time of Charlie Moran.

To say who played well in the game would be to give a list of every player on both teams. As in all Centre-State clashes, every man gave all he had, played clean football and came out of the game with pride in his heart.

A LIVELY MARKET

"The average South Dakota citizen," says a printing concern of that state, "gets up at the alarm of a Connecticut clock, buttons his Chicago suspenders to Detroit overalls, puts on a pair of cowhide boots made in Ohio, washes in a Pittsburgh basin, using Cincinnati soap, and dries on a cotton towel made in New Hampshire; sits down to a Grand Rapids table, eats hot biscuits made with Minneapolis flour, Kansas City bacon and Indiana grits fried in Omaha lard, cooked on a St. Louis stove; buys Irish potatoes grown in Michigan and canned fruits put up in California, seasoned with Rhode Island spices, claps on his old wool hat made in Philadelphia, harnesses his Missouri mule, fed on Iowa corn, to an Indiana plow.
"At night he crawls under a New Jersey blanket and is kept awake by a South Dakota dog—the only home product on the place."

For Thanksgiving sounds real good, but tastes much better when made of purest ice cream in particular pleasing flavors. It will be a real bit of goodness to top off Thanksgiving Dinner and an ice cream service well worthy of the occasion.

(Continued from Page 5)

The Pan Hellenic Council welcomed the entrance of Alpha Delta Theta as a national fraternity and Miss Sara Cole responded gracefully to the greeting.

The following toasts were given:
Lily Helen King
"Faith is like a lily, lifted high and white."

Bluebell Kathryn Evans
"Hope is like a bluebell, trembling from its birth."

Rose Essie Reams
"Love is like a rose, the joy of all earth."

Chrysanthemum Virginia Kelly
"Fair gift of friendship and her ever bright and faultless image."

Daisy Pauline Park
"The daisy's for simplicity and unaffected air."

Clover Frances Smith
"And God put another on ein for luck."

Rosemary Bernice Bird Browning
"There's rosemary, that's for remembrance."

"All Hail Kentucky" and "On, On U. of K." were sung between the toasts, and the following Pan Hellenic song was sung to the tune of "Heidelberg":

Here's to Alpha Gamma fair,
Here's to the Deftas three,
Here's to the pin the K. D.'s wear,
Here's to the Kappa key,
Here's to the Delta Zeta sign,
Emblem of mysteries,
Here's to the letters the locals wear,
Here's to fraternities.

Here's to the quill so tried and true,
Here's to the pledge it bears,
Here's to the Chi Omega too,
Here's to the pin she wears,
Here's to the friendships bright and fair,
Here's to the pledges we boast,
Here's to the Greeks and the joys they share,
Here's to the Greeks we toast.

The following menu was served:
Orange and Grape Fruit, Grenadine Celery

Salted Almonds
Roast Blue Grass Turkey, Dressing
Potatoes au Gratin
French Peas
Dinner Rolls
Moulded Waldorf Salad, Mayonnaise
Meringue Glace
Demi-Tasse

UNIVERSITY HI SCHOOL GRADUATES ENTER HERE

Entire Class of 1923 Registers At The University

The entire 1923 graduating class of the University High School, composed of thirty students, have registered at the University, according to H. P. Fling. Although University High School is somewhat of a high school laboring for experimentation and not a preparatory school for the University, for several years the average per cent of its graduates entering the University has been high. However, it is something unusual and remarkable for any high school graduating class to enter University one hundred per cent strong.

The record is all the more commendable due to the fact that two-thirds of the graduates are young men, several of them working their way thru school.

The members of the class are: First semester: Nancy Beard, Earl Flesher, Nellie Furlon, Laurence Luigart, John Ott, Ralph Sindell, Arminta Smith, Hugh Swayne. Second semester: Clifford Bartram, Wilbert Blackburn, Virginia Boyd, Charles Blacher, Chester T. Malick, Jefferson Edmonds, Clarence Gorman, Nat Hall, Virginia Heizer, Milton Hagar, Ormond McGloone, Pat McGuffey, Ethel Morgan, Sarah Myers, Alice Ragland, Marshall Taylor, John R. Tracy, James Willett, K. C. Whitehead, William Watkins.

McCORMACK WILL SING IRISH BALADS IN LOCAL RECITAL

When John McCormack, world famous tenor, opens the sixth annual artist concert series, given under the auspices of Miss Anna Chandler Goff, director of the Lexington College of Music, at Woodland Auditorium here Friday evening, November 16, an audience typically representing Lexington, central Kentucky and the south will be there.

Most popular of the singers of the day, McCormack has done more than any of the rest to make popular the songs which he sings. "He gives the public what it wants, but he also insists on giving it what it ought to want, and his influence for good in the musical world cannot be exaggerated," one critic wrote of him.

"While McCormack can sing any sort of a program and thrill his hearers, still it is always the Irish folk songs and ballads that arouse the greatest enthusiasm," another wrote. His program in Lexington will contain a number of Irish melodies.

The other artists of International fame who are to be heard in this series of five concerts are Ethel Leginska, "The Paderewski of women pianists," Jacques Thiboud, French violinist, John Charles Thomas, baritone, and Carolina Lazzari, contralto, of the Metropolitan Opera Company, and Alberta Salvi, harpist, in joint recital. One hundred season tickets, good locations, remain to be sold. Prices \$11, \$8.80, \$7.70. The last price for students and teachers. Order today. Phone 639-x.

SOUTHERN CARRIES 10,000 CATS SOUTH

Once again the Southern Railway Company will carry the Wildcat team. They left Thursday evening on their invasion of the south. Twenty-two men, accompanied by their manager and coaching staff formed the party. The student body, backed by many followers are expecting great things from the Wildcats.

AIN'T IT GOOD

"The advertising of tomorrow . . . must of necessity be creative. A falling market will not stand the heavy overhead of inefficient distribution, and you must have quantity production if you are to profit under new conditions. Create the new market, do your prospect a real service and you can depend upon the law of action for your reward. People just can't help being human an dgrateful. Do a man a service and you get his business."—Roger Babson.

NOTHIN' SURER

"Jim, I see that your mule has U. S. branded on his right hind leg. I suppose he was an army mule and belonged to Uncle Sam."

"No, suh—dat U. S. don't mean nothin' 'bout no Uncle Samuel. Dat's jess a warnin'. Dat U. S.'n jess stand fo' Un Safe—'at's all.—Judge.

True advancement—permanent prosperity and national greatness can only result from work—from a greater production of goods per man, from more economical management, from more efficient distribution.—The Optimist.

DUOFOLD STANDARDS IN LOWER PRICED PENS

Written with a Parker

As well as the famous Duofold
The same classic shapeliness—The same writing balance
New Parker D. Q.—Students' Special, \$3

WHEN you buy a Parker Pen of any model, at any price, you are getting a standard that never existed before the Parker Duofold was created; and which exists today only in the Parker make.

Parker's lower priced black pens are like Parker Duofold in everything save the size and point. Yet even their points are tipped with NATIVE Tasmanian Iridium and polished to the smoothness of a costly jewel bearing.

Only the Parker crafts-guild is trained to make Duofold quality, and this same skill produces all other Parker Pens too.

If you want the Over-size Pen with lacquer-red barrel, flashing black tips and 25-year point—get Parker Duofold, \$7. (Duofold Jr., or Lady Duofold, \$5.)

If you want Duofold's classic lines and writing balance in a low-priced black pen of good size, get the new Parker D. Q. specially made for students, \$3.

Any near-by pen counter can supply you. But be sure the pen is stamped "Geo. S. Parker" if you want the new-day improvements.

The New Parker D.Q. has a large ring to link to no-e-book or pocket-clip free. Cap reinforced with metal girde.

**MENS STUDENT COUNCIL
HOLDS JOINT MEETING
WITH WOMANS COUNCIL**Matters of Vital Interest To
Student Body Were
Discussed**'POINT SYSTEM' OUTLINED**Appeal For Higher Scholastic
Standing Sent By
Dr. McVey

The Men's Student Council and the Woman's Administrative Council held a joint meeting in the rest room of White Hall Monday evening at eight o'clock. Mary Peterson, president of the Women's council, presided.

Several matters of vital interest to the student body were discussed. A committee from the Men's Council reported a tentative plan to relieve the objectionable automobile parking conditions now existing on the campus. Mattie Hodges and Elizabeth Ellis were appointed to assist the committee in working out further remedies.

The matter of student conduct at dances was taken up and committees appointed to submit plans for the elimination of intoxication and objectionable behavior at our dances. Each member was urged to take back to his own organization, a plea for cleaner social functions.

Miss Peterson explained to the Men's Council the "Point System" and Census Bureau now in existence among the women students, as the men contemplate regulation of their campus activities on this basis, soon.

The prevalence of "politics" in University elections was discussed. It was decided to use the Kernel as a medium for spreading propaganda against the making of paths across the campus. Miss Peterson brought an appeal from Dr. McVey for higher scholastic standings. Betty Barbour was appointed chairman of the Student Friendship Fund drive.

The Councils are working hard for the betterment of the University in many ways but their work is helpless without the earnest co-operation of every student on the campus. The problems which they try to solve and the measures they advocate are of personal interest to each boy and girl should receive the endorsement of the entire student body.

After the business of the meeting was over, refreshments and a pleasant social hour was enjoyed.
