

Grenada. Aug 29th 1866.

Col. W. T. Mitchem

Sir

We send you enclosed Twenty five hundred dollars currency and Exchange on N. York for Seventeen Hundred dollars.

We bought some Gold yesterday and had occasion to use some of your funds and send you instead the Exchange as there is not money enough in town to cash it - You can use it in Jackson and allow us the premium, all of which we hope will be satisfactory.

Very Respectfully
Barrington Lea
