Lexington Ky October 1st 1877
Regent J. B. Bowman
Lexington Ky
Sir,

On 31st of August
last we wrote you advising you that
we had been officially notified that Mr
Swape had completed his Examination
& made his report to the Committee appointed
by the Board of Curators and that his
report had been accepted by the Committee,
and respectfully requesting you to
to appoint, without delay, a time and
place that we could meet you for
the purpose of uniting in a joint
letter to the gentlemen mutually
agreed on as Arbitrators, advising
them of their selection and urging
their acceptance. A response from
you to this letter has been received.

We again respectfully request that
you, without delay, appoint a time
& place of meeting for the purposes
indicated. The Board of Curators
contemplates that the reference should
be promptly made, and we want that
there be no further delay in this matter.
Please send or deliver your reply to A. M.
Barnes. Yours very respectfully,
J. M. W. W. W., Fellow of Committee.
