General Withers

Dear Sir will you please
present this, for the consideration of the
Executive Board at your first meeting - as
Mr Leath may not think to do so
We will agree to cut & saw down close
to the ground, all of the Walnut trees that
may be in a state of decay - and those
that may be entirely dead - such as have
been killed by lightning - and broken tops
at the Ashland and Colledge grounds - which
may be agreed upon between you and us
we will take the timber in the trees, all that
will make good merchantable lumber - and pay
for same in the ground \$1.40 per hundred - or
\$14.00 per M - and will cut all the tops and
unsound logs into cord wood at 50 cts per cord
or you can cut the wood if you prefer the job &
