Dear Madam

I am in receipt of your letter requesting us to place \$10,000. to the credit of Mr. Mary Wickes Brooks. And in reply will say that we haven't the address of Mr. Brooks. and would prefer that you draw your check on this bank in favor of Mr. Brooks for the amount. and it will be paid on presentation.

I will call your attention to the fact that Mr. W. S. Waters has not yet attended to the note for \$5000. which has been due in January.

Yours very Respectfully
