Mrs. Ida Withers Harrison,  
Lexington, Ky.

Mrs. Harrison:-

Your favor of December 28th making inquiry as to the status of the claim of your mother, Mrs. Martha S. Withers, vs. H. A. Calvert was duly received at this office but during my absence, hence the delay:

After much trouble and litigation we found it not only best to accept from Calvert what he originally offered and what you directed me to accept, viz: 20%, but the best we could possibly do. We learned he was execution proof and succeeded in securing the payment of said sum by mortgage of both personal and real property not subject to execution, the sum to be paid July 1st, 1900. I am sorry a better settlement and shorter time for payment could not have been effected but same was impossible. Hence on or a few days after July 1st you will get the 20% and the \$30.00 paid for court costs.

Very respectfully,  
Milton Johnson.
