

Or easier he sayes I
will go a good way
to him about you
My partner Mr Baker told
you yesterday so he tells me
asked you some questions I had
intended to enquire to what
you know of him before leaving
your country One question
more what is he worth I
all time I have written
from time to time as
I could have wanted a price
on him we would sell him
if he could fit a good price
If we keep him I shall start
him in the Spring in the
Circuit we think he will
be very fast Resp W Helms

My dear Sir
I received your note not
hear any more of Almond's
performances this year
As we have concluded to
let him off for this season
we did intend to start him
at our place next week but
the Society (based him in
the 5 Year Old Class) so
we will not start him
we offered to start him
in 3 Races 5 Year Old 2.40
& free for all & they have seen
fit to bar him know let
them try it out I think
we offered fair don't you
